## WELCOME

### NSWC COO/GM MESSAGE

The North Shore Winter Club is thrilled to extend a warm welcome to all participants of the U15 Tier 1 Provincials. Our goal is to ensure a fun, safe, and memorable experience for everyone involved.

On behalf of the NSWC staff and members, we are excited to ensure that your time with us is nothing short of exceptional. For those visiting NSWC for the first time, let me provide an overview of our outstanding facilities. We proudly offer four top-notch hockey ice surfaces for practices, games, and athlete development, along with a dryland area for warm-ups and cool-downs between ice sessions.

We encourage parents to watch the games and celebrate their child's and team's achievements. Positive reinforcement and respect play a pivotal role in shaping young athlete responses, growth, and development. We kindly ask all parents and guests to acknowledge the athleticism of every player and extend support to coaches, officials, and volunteers through good sportsmanship and positive role modeling.

To the family members accompanying the players, we hope you thoroughly enjoy your stay in our city. Take advantage of the time between games to explore our beautiful surroundings. To the competitors, the NSWC wishes you the best of luck and a safe journey home. Before every outing, I tell my daughter to Be Safe, Have Fun, and Be Respectful – it is with great pleasure I extend those same words to all of our U15 Provincial Tournament participants!

Wishing you a successful tournament!

TC Carling COO/GM

## WELCOME TO NORTH VANCOUVER!

The North Shore Winter Club is a celebrated family athletic club serving the Greater Vancouver Area. Home to a rich history of hockey, members at the North Shore Winter Club have enjoyed the benefits of a friendly social environment since 1958.

Ideally located at the bottom of Mountain Highway just on the north side of Vancouver's Second Narrows Bridge, the North Shore Winter Club has become a prominent symbol of British Columbia's proud tradition of inclusive athletics and overall family fitness.

As host to this year's U15 Tier 1 BC Hockey Championship, we are proud to welcome teams from across the Province to our home arena. Our goal is to make this championship a memorable experience for all our guests – players, team officials, parents, and officials.

Vancouver's North Shore is the place to stay to discover Vancouver from a whole different perspective. Staying on the mountainside, you are minutes away from some of Vancouver's premier attractions. Outdoor adventures abound with top-notch mountain biking trails, rainforest hikes, and more.

North Vancouver is just minutes away from Vancouver and it's easy to get to with a quick trip across the Lions Gate or Second Narrows Bridges. For families that want to hit the slopes, it's also right next to Grouse Mountain, Cypress Mountain, and Seymour Mountain. World-class resort, Whistler Blackcomb, is a 90 minute drive.

Shopping, dining, coffee and pubs can be found throughout the North Shore, great local places can be found in the Lynn Valley Village or Lower Lonsdale, including the famous Lonsdale Quay Market.

One of the best parts of North Vancouver is the stunning wilderness right at our back door. Forests, trails, playing fields, golf courses, and mountain peaks provide our community with an enviable array of choices when it comes to recreation. Check out Lynn Valley Suspension Bridge, Lynn Loop, Rice Lake, Deep Cove, or one of the many other local outdoor attractions.
