MESSAGE FROM THE CHAIR OF THE BOARD

Chair of the Board
STEPHANIE WHITE

We acknowledge that our activities take place on the unceded and traditional territories of Indigenous communities across B.C. and Yukon. We are deeply thankful for the privilege of using these lands to participate and grow the game of hockey. BC Hockey respects the rich cultural heritage of all Indigenous peoples in Canada, including First Nations, Inuit, and Métis, and we remain committed to fostering an environment of respect and understanding.

Every season offers a reminder that hockey in B.C. and Yukon is developed in our communities. It begins in local arenas, grows through our minor hockey associations, and is sustained by people who believe in the positive lifelong experiences the game can provide. That strength is evident by a new all-time participation high of 62,589. This is a milestone made possible by the passion and commitment found across our region.

At the heart of our organization are our volunteers. You organize, mentor, welcome, solve problems, and step forward whenever your community needs you. In challenging moments, you are often the first to offer support, service, or simply a reassuring presence. It is this generosity and care for one another that makes our hockey community so strong.

Our coaches and officials also have an influence that extends well beyond practices and games. Along with teaching the sport, they model integrity, teamwork, resilience, and respect. These are values that stay with participants long after they leave the ice. Their leadership helps ensure that development and enjoyment remain central to the hockey experience.

Congratulations to all teams that earned BC Hockey Championship titles this past season. Your success reflects months of effort and the support of families, volunteers, associations, and communities. We are equally grateful to every host community whose planning and hospitality made these events possible, and to our Life Members, whose experience and continued guidance strengthen our organization.

We also extend our sincere appreciation to our Life Members. Their years of service, experience, and enduring commitment have helped shape BC Hockey, and their continued guidance remains an important source of strength for our organization.

As I begin my final year as Chair and as a member of the BC Hockey Board of Directors, I do so filled with gratitude for having the opportunity to serve the members and participants of this organization. Throughout this year, I will remain focused on strong governance, fiscal responsibility, and ensuring that our decisions reflect our values and the needs of our members. It is both a privilege and a responsibility to help position BC Hockey for a strong future.

Looking to the 2026–27 season, our shared responsibility is clear: to provide a safe, supportive, and welcoming environment where families feel they belong, development is valued, and the game remains grounded in fun, integrity, teamwork, and excellence. We must continue addressing barriers to participation and holding ourselves accountable for the culture we create in every arena and every community.

Thank you to our volunteers, associations, districts, board members, coaches, officials, participants, families, and staff. Your collective efforts allow hockey to remain a source of pride, connection, and community across B.C. and Yukon. Together, we will continue to live our mission: to lead, develop, and promote positive lifelong hockey experience.
