Neil McNabb has been nominated for the position of BC Hockey Chair of the Board and has confirmed a willingness to serve.

Personal

Residence: Surrey

Occupation: Manager – telecommunications (retired)

Employment Background

Neil was employed by BCTel / TELUS for 40 years until his retirement in 2014. The main focus of his work was project management and implementation of new strategies. During this time Neil led and managed developmental teams, some of which worked with joint partners. Neil worked in various departments including Network, Project Management, Inventory Management and Business Transformation & Technology Operations.

Hockey

Highlights of Neil's hockey involvement include playing as a goaltender.

Volunteerism

Neil has an extensive volunteer background. Hockey examples include Coach, Coaching Coordinator, Tournament Coordinator, Minor Association Director and Vice President, and Municipal Ice Allocation Committee Member.

Neil has served the Pacific Coast Amateur Hockey Association as Managing Director, Vice President and President.

BC Hockey / Board

- Neil has been a BC Hockey Board Member, BC Hockey District Director, BC Hockey Officer at Large and BC Hockey Vice President.
- He acted as Chair of BC Hockey's Minor Committee, Coaching, High Performance, Chair of BC Hockey's Major Midget League, Chair of the Safety and Risk Management committee, and a member of the Finance Committee.
- Neil has served as the BC Hockey rep at Hockey Canada's Minor Council and Female Council.

Assets for the new Board

- Neil's employment history in "new service and team introduction" is listed as an asset in the transition through COVID and beyond.
- Planning has been an important component of Neil's history.
- The aptitude and abilities to get things done.
- Proven abilities to manage and lead within an organization.

Candidate's other listed attributes

- I'm a current resident of Surrey BC and have also lived in Prince George so I'm familiar with both issues the volume the Lower Mainland has to deal with along with the geographic and unique issues the rest of the province has.
- Volunteering for hockey in the small towns, the bigger cities, the large districts and at the national level enables an understanding of all demographics.

Objective

- To work with the members, MHAs, Districts, and all of our volunteers to ensure that BC Hockey overcomes the difficulties 2019-2022 has given us and to help ensure that we all continue to have a safe and enjoyable sport.
