

How to Sign Waivers in MyAccount

Log into <https://myaccount.spordle.com>

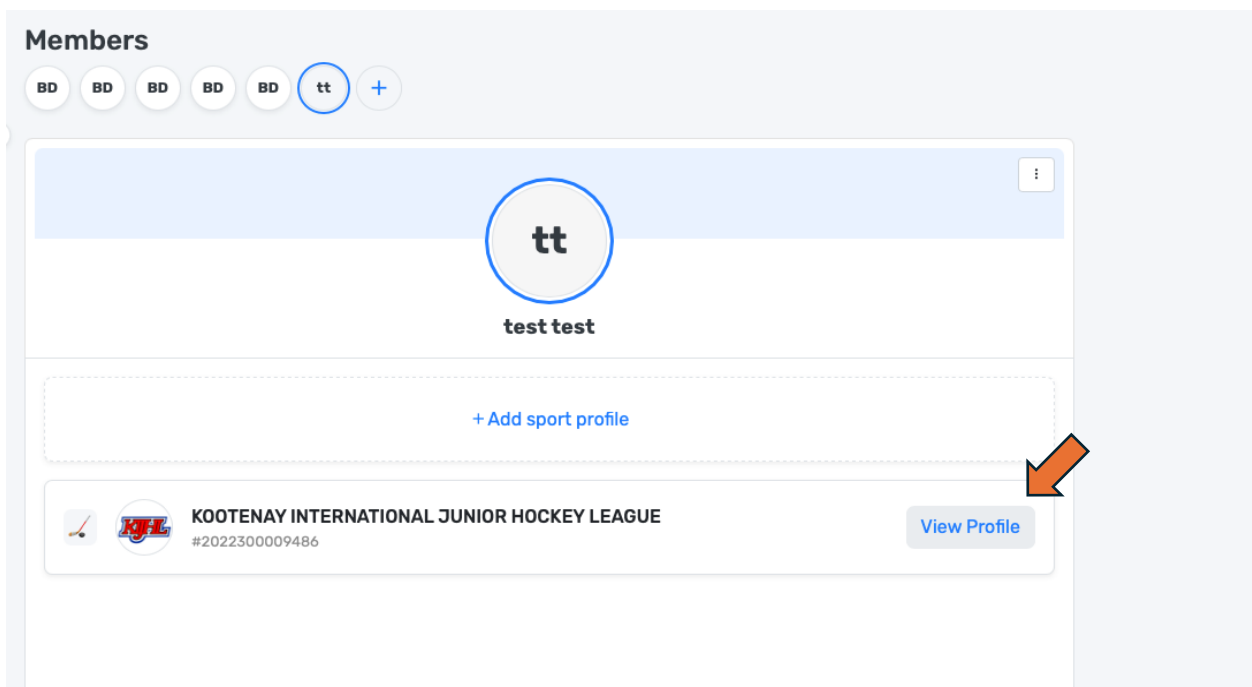

When you are logged in click members and then the + sign to link a member. You will see a circle with your initials already, your account is not linked until you link with the below process.

Follow the prompts in searching for your HCR Profile. Once you find the right profile click validate. It will show up in a bubble at the top by members.

When you are on your profile click View Profile

Under your name you will have a number of tool bars click Waivers
