Territorial Acknowledgement

The Capital Region Female Minor Hockey Association recognizes the traditional territories of the first nations peoples including the Lekwungen peoples [Esquimalt Nation; Songhees Nation]; ƵSÁNEĆ peoples [BOKEĆEN (Pauquachin) First Nation; ƵJOŁEŁP (Tsartlip) First Nation; SƦÁUTƵ (Tsayout) First Nation; ƵSÍKEM (Tseycum) First Nation] as well as T'Sou-ke Nation and Scia'new First Nations. We are fortunate to live, thrive and play on these lands. We express our gratitude for this.

The BC Hockey offices and our host venue, Panorama Recreation Centre, are on the unceded ancestral lands of the ƵSÁNEĆ peoples.

Welcome!

CRFMHA is thrilled to host the U13 Female Championship. We are approaching the end of our fifth season of programming and this is our first Championship.

We welcome your team, players and families to Victoria and look forward to hosting you. You've traveled a long distance to get here, both literally and figuratively, and we are certain you will find it a great hockey town. We were recently the host city for Scotiabank Hockey Day In Canada in January 2024 and they provided a lot of coverage of the many ways we enjoy and celebrate hockey in this community.

Looking back a bit further, the District of North Saanich and, more specifically, our host facility Panorama Recreation Centre, were the winners of Kraft Hockeyville in 2015, so you may notice several arena upgrades that came from that program.

And if you look back just a bit further, you can imagine a young Micah Zandee-Hart skating on these rinks. She played her minor hockey for the Peninsula Eagles (*long before the Victoria Reign existed!*) and Panorama was her home rink from 2003 to 2012, when she moved away to Okanagan Hockey Academy. Now she is an Olympic and World Champion and Captain of the PWHL New York Team!

There is lots to experience in the local area around the rink and also throughout greater Victoria, so please try to enjoy some time away from the arena, if you can! For any hockey nerds, you may also wish to make a detour to the BC Hockey Head Office, located only a few minutes from Panorama Rec!

In closing, I'd like to acknowledge the diligence of our planning committee who worked tirelessly to bring this event together. We are thankful for their dedication. It is volunteers like these that run our Association and positioned CRFMHA to be selected for the BC Hockey Frank Spring Award as "Minor Hockey Association of the Year" in 2022-23.

Feel free to contact me during the Championships if you have any questions or concerns. Good luck to all teams and players!! I hope it is a fun and rewarding experience for you.

About CRFMHA

Capital Region Female Minor Hockey Association (CRFMHA) is a non-profit society that was registered in 2017 and subsequently accepted by BC Hockey and VIAHA to begin programming in 2019. Our boundaries align with those of the Capital Regional District (CRD), which is the joint administrative body for the 13 municipalities in greater Victoria (including the District of North Saanich). CRFMHA hosts programs on 13 ice surfaces, which are managed by 10 different agencies across CRD.

CRFMHA's key values are providing opportunities for friendship, sportsmanship, citizenship, mentorship and leadership opportunities for the female youth in our community. Maybe one day we will add a championship!

We started with 217 players on 13 teams in our first season (2019-20) and will complete the current season with 367 players on 23 teams. The future looks even brighter with 45 girls currently participating in our IIHF/ Hockey Canada 'Try Hockey' program and another 90 lined up for two separate 6-week Esso Fun Day programs in April and June! We are now one of the largest female MHA's in the history of BC!

Our Board is composed of 24 volunteers and works primarily through 4 core committees. Administration, Hockey Operations and Finance Committees are common amongst MHAs, but our Public Relations Committee is a bit unique and has really helped us increase our community profile at festivals and parades and through social media and also keeps a steady stream of youngsters coming to beginner events!

Location Information

Panorama Recreation Centre

Panorama Recreation Centre is located in the District of North Saanich, approximately 5 minutes from the town of Sidney, and 25 minutes from downtown Victoria, on the traditional lands of the W̱SÁNEĆ people.

North Saanich

The District of North Saanich is located at the north end of the Saanich Peninsula, approximately 25 km north of Victoria, British Columbia, on southern Vancouver Island.

North Saanich exists on the traditional territories of the W̱SÁNEĆ people. Specifically, the [BÓKEĆEN \(Pauquachin\) First Nation](#) and [WSÍKEM \(Tseycum\) First Nation](#) are an active and vital part of our community, and the District is committed to respectfully and appropriately engaging these nations in matters of common interest.

The District, surrounded on three sides by 40 km of ocean shoreline, is home to the Victoria International Airport, and the Swartz Bay Ferry Terminal.

This area historically emerged from several coastal focal points inward to the interior of the Peninsula. Today, the community-like neighborhoods, which include Ardmore, Deep Cove, Curteis Point, Cloake Hill/Green Park, Dean Park, and the South East Quadrant, are on the periphery of a rich agricultural interior which is protected by the Provincial Agricultural Land Reserve. Agriculture is very important to the municipality, as evidenced in the number of farms, and road side produce and flower stands.

[CLICK HERE FOR MORE INFORMATION ABOUT NORTH SAANICH](#)

Sidney

The Town of Sidney – located in the area known as SET,TINES to the W̱SÁNEĆ people – is a picturesque community along the shores of the Salish Sea on the Saanich Peninsula. “Sidney by the Sea” has a population of 12,318 and a moderate climate that makes it a year-round tourist destination.

Sidney has a vibrant and pedestrian-friendly downtown that offers a variety of stores, specialty shops and businesses, including a cinema and local breweries.

Victoria

Located on the southern tip of Vancouver Island on the homelands of the Songhees and Esquimalt People, Victoria is a forward-thinking, active community.

Victoria, the Capital City of BC, is home to a dynamic, thriving economy and vibrant arts and culture scene, with an unparalleled natural environment enjoyed by residents and visitors. It's a place where sustainability, health and well-being are the cornerstones of creating a prosperous and inclusive future.
