Teams playing in the game following the opening ceremonies, will be ready in full gear without helmets.

EQUIPMENT CHECKS

Equipment checks will be done prior to the first game. Each team is required to go over their equipment prior to coming. Players with illegal/worn equipment will not be able to participate using the illegal equipment. Bring extra helmet screws, gloves and tape. Ensure your local Risk Management Coordinator or District Director does an equipment check with your team before coming to the championships to avoid any disappointments. Most frequent illegal equipment findings: glove palms, helmet fit and J hooks, stick plugs and neck guards with BNQ certification not clearly visible. Goalie helmets must have chin cups and side straps.

OUR COMMUNITY

VERNON, BC

Welcome to Vernon, located in the traditional territory of the Syilx People of the Okanagan Nation. In this sunny corner of the Okanagan Valley our turquoise lakes meet pristine shorelines that climb skyward into rolling hills, and those hills lead the way to mountains full of endless adventures. We raise toasts to the apples on the branch that now dance in our cups, and we can't wait to welcome you to it all.

Here in Vernon we prioritize happiness, relaxation, and lifestyle, and we enjoy a casual vibe. We welcome you to come and embrace that Okanagan way of life. Experience the serenity of paddling out on perfectly still, clear-blue lake waters, answer the beckoning call of adventure at that next trailhead, and taste the true meaning of farm-to-table as you dine amongst the orchards that grew your meal.

There is simply no where else like it, and we can't wait for you to experience it. Welcome to Vernon.

OUR COMMUNITY

LUMBY, BC

Lumby is a vibrant, active community on the edge of the Okanagan, nestled in the Monashees, with large doses of small-town charm. Located 25 minutes from the city of Vernon, 45 minutes from the international airport in Kelowna, and 5 minutes from countless outdoor adventures, we are truly perched on the Edge of Adventure. Day trips from Lumby can include fishing, hiking, snowmobiling, heli-skiing, paragliding, hang gliding, camping, boating, canoeing, kayaking...you name it, we have it!

OUR COMMUNITY

OUR FIRST NATIONS HISTORY

<https://okib.ca>

It is understood that Syilx Okanagan People have come from the land and animals themselves. Before humans were created, animal people lived on the land and gave up themselves along with their ways, beliefs, practices, and experiences for the people-to-be. Many of the teachings we have today come from the animal and plant people are portrayed through *cap̓tikʷt*, oral narrative. These *cap̓tikʷt* help to bring forward many important Syilx values, teachings, and worldviews. The *cap̓tikʷt* help to carry Syilx Okanagan natural law. These laws can be understood from the stages of Syilx Okanagan People.

1. *st̓alsq̓ilxʷ* (torn from the earth) - life form of first people without natural instincts to survive.
2. *xatmaʔ sq̓ilxʷ* (in front of us *sq̓ilxʷ*) - first thinking people who learned the natural law to survive.
3. *sq̓ilxʷ* (dreaming ones, bound together, of the land) - original people who learned to live together on the land in peace.
4. *ʔawtmaʔsq̓ilxʷ* (to struggle and/or come after *sq̓ilxʷ*) - today's *sq̓ilxʷ* after the arrival of new comers.

These stages bring light to the worldview of the Syilx Okanagan People.

Located at the head of Okanagan Lake is the Okanagan Indian Band main reserve. The Okanagan Indian Band comprises six reserves located in the North Okanagan totalling 10,636 ha of reserve land. These reserves are Okanagan, Otter Lake, Harris, Swan Lake, Priest Valley, and Duck Lake. Members of the Okanagan Indian Band live in various historical villages up along Okanagan Lake, Round Lake, Swan Lake, Duck Lake, Wood Lake, and Kalamalka Lake. These historical settlements are still highly valued and are occupied by current generations.

OUR COMMUNITY

While the main reserve is often associated with nqmaplq̓s, many of the tributaries and sites of significance along the lake hold place names each associated with ancestral and contemporary use such as Komasket Park. Each place name holds the significance of the area often associated with activities, specific species, land forms, or seasonal settlements. While the Okanagan Indian Band is located in the North Okanagan valley, the territory of the Syilx Okanagan People extends beyond the reserve boundaries.

The binding that brings together Syilx Okanagan People is the language itself. Nsyilxcn or nqilxʷcn is a part of the larger Salishan family group. Nysilxcn is the language of the Syilx People and nqilxʷcn is Indigenous language. Nsyilxcn is one of 23 Salishan languages. Salishan languages have been spoken in North America for thousands of years and are still spoken to this day in Southern British Columbia, Washington State, Idaho, Montana and Oregon. Nsyilxcn is spoken by the Okanagan in British Columbia and by the Southern Okanagan, Sinixt, Methow, and Sanpoil tribes in Washington State.
