## YOUR HOST TOWN FOR 2026 U13 TIER 2 B.C. HOCKEY CHAMPIONSHIPS

We acknowledge that we are on the traditional, ancestral and unceded territory of the Squamish Nation, Tsleil-Waututh Nation and Musqueam Nation. We recognize and respect them as nations in this territory, as well as their historic connection to the lands and waters around us since time immemorial.

### **Nowhere Better NATURED**

Vancouver's North Shore is more than just the majestic mountain backdrop for one of the world's most scenic cities. It's a year-round, more-than-mountains, destination where the city and wild nature collide. This is the place where landscapes, history, culture, and people connect in a region of varied experiences. From our snow-capped mountaintops to our towering old-growth forests to the turquoise waters of our shoreline.

### **Far From Ordinary, But Not Far From You**

Not an hour down the highway, but mere minutes to Downtown Vancouver. We're the wilderness on the city's doorstep. Here you move from cosmopolitan neighbourhoods to wild adventure and back in an afternoon. City to gritty in minutes. We're a world-class mountain biking and hiking mecca but with neighbourhoods with extraordinary dining and shopping just moments away. Take your bike at the end of the day from rooty trails in our wild parks to a frosty craft beer in the turn of a wheel.

### **Fill Up Your Bucket List**

Forest bathe and fill your cup. We're home to world-class skiing and boarding, snowshoeing, hiking, and kayaking, and some of the region's most popular attractions. We're the birthplace of freeriding, known internationally as a mountain biking mecca. Our outside is ingrained in how we live, work, and play. We welcome the chill-seekers and the thrill-seekers. Come play with us.

### **Good NATURED People, Great NATUREd Landscape**

Vancouver's North Shore is made up of distinctive and characterful neighbourhoods. Each unique but all full of small-town spirit and North Shore pride. We love the outdoors, but we also love shopping, art, dining, and craft beer. You'll find it all in our neighbourhoods each with their own vibe, shops, restaurants, galleries, hotels, and bars. We're nice by nature. Our people love where they live, know how to have fun, and want to show you how to live like a local.

# WELCOME VISITORS

## Arriving at Hollyburn

All players and team officials may arrive one hour before games and practices. Teams arriving by bus should drop off and pick up in the lower-level visitors' parking lot. Please ensure buses are not left idling and do not block other vehicles. A map of the facility is on the next page.

## Parking

Visitor parking is available in the lower parking lot, with stairs leading up to the Sports Entrance. Buses should park in the lower lot and be turned off while parked. Please avoid parking in the Member Parking areas.

## Athletics Entrance - Hockey Guest Entrance

All members and guests carrying sporting equipment (hockey bags, pucks, wheeled bags) must use the Athletics Entrance. Signage inside will direct you to the ice rink and change rooms. After the game, please exit through the Athletics Entrance.

## Dressing Rooms

A dressing room schedule is posted on the doors to the ice rink. Visiting teams using the large ice for minor hockey games are typically assigned dressing rooms 3 or 4.

As per BC Hockey rules, cameras, cell phones, and vapor/e-cigarettes are not allowed in the dressing rooms. Coaches and managers are responsible for leaving the dressing room in the same condition it was before use. Any damages will be the responsibility of the visiting team's officials.

## Warm Ups

Visiting teams may use one of two pre-game warm-up areas:

1. Paved parking area on the west side of the building, accessed via doors under the score clock
2. Indoor gym, if it is empty and unused

If these areas are unavailable or if ice rink access is needed through the west side doors, contact Member Services at 604-922-0161. Teams are not permitted to warm up in hallways or other indoor spaces.
