U15 Female Division

March 18-March 22<sup>nd</sup>

Hosted by

Kamloops Minor Hockey Association (KMHA)

and the U15 Female Blazers

## Welcome to Kamloops

Welcome to Kamloops, British Columbia, and thank you for joining us for this U15 Female Rep Hockey event. We are pleased to welcome players, families, coaches, and supporters to our community.

Kamloops is located on the traditional and unceded lands of the Tk'emlúps te Secwépemc. Our city sits at the meeting of the North and South Thompson Rivers, which come together to form the Fraser River. The name *Kamloops* comes from the Secwépemc language and means “**meeting of the waters**,” a fitting description of both the geography and the spirit of this place.

Kamloops is a city of contrasts—where desert hills give way to forested trails, ranchlands, rivers, and lakes. The landscape, shaped by ancient lava flows and the powerful Thompson River, is dotted with ponderosa pines and sagebrush and reflects a deep connection between land, people, and culture.

Hockey has been an important part of Kamloops culture for more than 75 years, and we are especially proud to host and celebrate female hockey athletes who represent the future of the game. We hope your time here is filled with great competition, excellent sportsmanship, new connections, and lasting memories.
