The Greater Trail area has a population of just over 18,000 people. We are sure you will find our city to be very friendly and outgoing. Trail is also known for its significant Italian community. Before the end of World War II Italian immigrants were largely responsible for shaping the community's social and cultural structure.

The Great Trail area is also known as the "Home of Champions," and has successfully hosted and multitude if provincial, national and international sporting events over the years.

Some of these include:

In 2013 the City of Trail was awarded "BC's #1 Sports Town". This title was earned for not only producing many athletes, coaches and teams in a variety of sports who gained success in National & International competitions, or from the first-rate sports facilities that the city has built, but also from successfully hosting large-scale sporting events.
