Where or what is Cloverdale?

Cloverdale is the historic centre of Surrey, reflected in its unique western and railroad character. It is home to one of Surrey's most recognizable main streets as well as the Museum of Surrey, Surrey Archives, and many unique heritage buildings. The historic downtown is home to many great shops and eateries.

While the preserved historic character of Cloverdale can be reflected throughout the town centre, it has also grown into a busy hub of commercial activity due to its strategic location and connections to the railway.

**Check out
cloverdalebia.com
for more great
information.**

The small-town charm of Cloverdale also attracts movie and TV filmmakers, and has served as a backdrop for shows like Smallville, Supernatural and Sabrina. Most recently the Superman & Lois and Peacemaker series have made Cloverdale their home base.
