City of Kelowna

Kelowna sits on the traditional, ancestral, and unceded land of the syilx/Okanagan people.

Urban and rural; nature and culture; playtime and downtime: Kelowna isn't just one destination. It's a whole bunch of them, located in one uniquely beautiful place.

Cradled within a glorious range of mountains, is a sanctuary filled with pristine lakes, pine forests, abundant gardens, orchards and vineyards, sandy beaches and superb amenities. Stretching from north to south for approximately 135 km (84 miles) is beautiful Okanagan Lake. The lake sustains several diverse communities along this corridor known as the Okanagan Valley. It is a semi-arid climate, boasting long warm summers and short mild winters.

The city of Kelowna has a population of 165 000 and is the transportation, business and service hub of the valley. In cooler months, our snow-capped mountains and pine filled forests are a haven for skiers, boarders, snowmobilers and outdoor adventurers of all types.

Orchards and vineyards thrive within a 10-minute drive from the downtown core and provide seasonal delights year-round. Kelowna's growing Cultural District covers a six-block downtown area and features a concentration of galleries, museums, theatres, a casino, artists' studios, fine dining, unique shops and a vibrant cultural life all year long.
