CITY OF TRAIL

The City of Trail is in the Columbia River Valley of southeastern British Columbia situated on the banks of the beautiful and mighty Columbia River, 19 km north of the US border. Home of the Greater Trail Minor Hockey Association.

The Greater Trail area has a population of just over 18,000 people. We are sure you will find our city to be very friendly and outgoing. Trail is also known for its significant Italian community. Before the end of World War II Italian immigrants were largely responsible for shaping the community's social and cultural structure.

The Greater Trail area is also known as the “Home of the Champions” and has successfully hosted a multitude of provincial, national and international sporting events over the years. Our community is looking forward to hosting the upcoming BC Little League Provincials next spring and hosting the Canadian Major Baseball Championships in 2028. Some of these include:

 2007 World Junior A Hockey Challenge

 2006 & 1982 BC Winter Games

 1996 BC Summer Games

 1995 Senior Babe Ruth Baseball World Series, which was the first time this international event was hosted outside the USA

The City of Trail was recently awarded the title “BC’s #1 Sports Town”. This title was earned for not only producing many athletes, coaches and teams in a variety of sports who gained success in National and International competitions, or from the first rate sports facilities that the City has built, but also from successfully hosting large-scale sporting events.
