# Tier 4 U18 Championships

Before we drop the puck, we take a moment to acknowledge that this tournament is taking place on the traditional, ancestral, and unceded territories of the Ktunaxa Nation and the Secwépemc (Shuswap) Peoples. We also recognize the historic presence of the Métis Nation in this area.

We are grateful to play and connect on this land, which has been cared for by Indigenous Peoples for generations. As we come together in the spirit of sport, teamwork, and community, we honour the cultures, stories, and contributions of Indigenous Peoples—past, present, and future.

# WELCOME TO GOLDEN
