This Agreement is binding on the parties hereto and the employees as defined in Article 1.1.

### **1.4 Excluded Persons**

### **2.1 Interference**

Within ten (10) days of receipt of the said list, the Local Union may request that it be discussed at a meeting of the Committee constituted under Article 4.6.2. ## **4.4 Harassment**

### **4.4.1 Sexual Harassment**

The Colleges and the Union are aware of the provisions of the *Ontario Human Rights Code* that provide that persons have the right to be free from a sexual solicitation or advance in the workplace where the person making the solicitation or advance knows or ought to know that it is unwelcome. Both parties subscribe to this principle, and to that end, acknowledge the following objectives:

- a complaint of this nature shall be promptly investigated and, where warranted, appropriate action taken;
- every effort shall be made and maintained by all parties to treat the complaint in a sensitive and confidential fashion, consistent with providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint, and its resolution or disposition;
- the complaint shall be made to as impartial a person as possible, being the President or their designate and who is not the person against whom the complaint is made.

It is agreed that the complainant may choose a Union representative to assist them in presenting the complaint.

At any point in the procedure the complaint may be referred to the Human Rights Commission.

All colleges shall have and maintain a policy with respect to workplace sexual harassment at the College.

The time limits set out in Article 18 do not apply to complaints under this article, provided that the complaint is made within a reasonable time of the conduct complained of, or having regard to all the circumstances.

### **4.4.2 Bullying/Psychological Harassment**

The College shall make reasonable provisions to ensure that employees have the right to be free from bullying/psychological harassment as defined within this article. The College and the Local Union shall cooperate to the fullest extent possible to ensure the workplace is free from bullying/psychological harassment.

Bullying/psychological harassment refers to any vexatious behaviour that is known, or ought reasonably to be known, to be unwelcome and that:

- takes the form of repeated conduct which could reasonably be regarded as intending to intimidate, offend, degrade or humiliate, and/or
- affects an employee's dignity, or psychological or physical integrity, and/or
- results in a harmful work environment.

Examples of bullying/psychological harassment include, but are not limited to, the following:

- berating/belittling an individual;

- repeated unwarranted criticism;
- undermining or deliberately impeding a person's work;
- spreading malicious rumours or gossip that is not true;
- physical gestures intended to intimidate, offend, degrade or humiliate an individual.

Reasonable action by a College, a manager and/or a supervisor in the course of managing the workplace is not bullying/psychological harassment. Examples of this include, but are not limited to, the following:

- the transfer, demotion, discipline, counsel or dismissal of an employee in a reasonable manner;
- a decision, based on reasonable grounds and facts, not to promote or grant another benefit in connection with an employee's employment or performance.

The parties recognize that bullying/psychological harassment is unacceptable in the workplace, and to that end acknowledge the following objectives:

- a complaint of this nature shall be promptly investigated and, where warranted, appropriate action taken;
- every effort shall be made and maintained by all parties to treat the complaint in a sensitive and confidential fashion, consistent with providing reasonable information to the complainant and the person against whom the complaint is made as to the nature of the allegation, the progress of the complaint, and its resolution or disposition;
- the complaint shall be made to as impartial a person as possible, being the President or their designate and who is not the person against whom the complaint is made;
- frivolous allegations of bullying/psychological harassment that are unfounded, will be treated as a disciplinary offence, that could lead to dismissal;
- allegations found to be true, will be treated as a disciplinary offence that could lead to dismissal.

The Union acknowledges, however, that the employees have their regular duties to perform and will not absent themselves without first obtaining permission from their immediate supervisor and reporting to their immediate supervisor upon returning to their regular duties. In keeping with this understanding, permission to attend such a meeting shall not be unreasonably withheld consistent with College operating requirements.

Such local agreements shall be signed by the College, the Local Union President, and the employee(s) affected and apply for the specific terms agreed upon, but in any event, shall not continue beyond the term of this Agreement.

Following such discussion, implementation may be effected. Once each year, the Local Union may ask the College to review the arrangement to ensure the conditions outlined in point one (1) of Appendix C continue to apply and if requested, the College shall provide the Local Union with the data used by the College in its review. If those conditions are not applicable, then the Appendix C arrangement will no longer apply. In all other cases, overtime payment will be in accordance with Articles 6.1, 6.2, 6.3, 6.4, 6.6 and 6.7.

Where an employee has completed their regularly scheduled hours of work and are subsequently called back to duty before the commencement of their next regularly scheduled shift, the following provisions shall apply.

### **6.3.1 Return to the Workplace**

When an employee is recalled and is required to return to the workplace, they shall receive payment for all hours worked at the applicable overtime rate with a minimum guarantee of four (4) hours overtime at time and one-half their regular rate of pay except to the extent that such period of four (4) hours overlaps or extends into their regular hours of work. It is understood that this provision has no application in cases of change in an employee's regular hours of work or scheduled overtime including overtime commencing immediately following the completion of an employee's regular schedule of work.

### **6.3.2 Resolving Issues From an Off-site Location**

When an employee is recalled and is not required to physically return to the workplace, the applicable overtime rate shall be paid with a minimum guarantee of two (2) hours. The initial call and any subsequent calls during the same two (2) hour period, will be treated as a single recall to work for the purposes of this paragraph.

## **6.4 On-Call**

On-Call refers to time periods during which an employee must be available and able to respond, within a reasonable time, to resolve a problem either by returning to the workplace or off-site (if applicable). On-call applies to time periods that are not regular working hours, overtime, stand-by or call back.

An employee assigned to be on-call is not required to stay at home, but they must make sure that they can be contacted and are able to start work within a reasonable time. It is understood that a return to the workplace may not be necessary in all situations. There shall be no pyramiding of premiums. Where the employee is recalled, the provisions of Article 6.3 shall apply.

No employee shall be required to be on-call or be assigned on-call duty unless authorized in writing by their immediate Supervisor.

An employee assigned to be on-call shall not be paid for the on-call period, or part of the on-call period, if they were not available or were unable to work due to illness or other circumstances beyond their control.

Where the College requires employees to be on-call, qualified employees in the work group shall be selected first on a volunteer basis, in order of seniority, on a rotational basis. Where there are insufficient volunteers, assignment shall be made by reverse order of seniority. However, no employee shall be required to be on-call for more than one hundred and twenty-eight (128) hours per month. Notwithstanding the foregoing, no employee shall be prevented from voluntarily exceeding this maximum. The on-call premium shall be one dollar and seventy-five cents (\$1.75) per hour for all on-call hours up to the monthly maximum, and three dollars (\$3.00) per hour for an employee who voluntarily exceeds the monthly maximum.

Effective March 1, 2027, the on-call premium shall be two dollars (\$2.00) per hour for all on-call hours up to the monthly maximum, and four dollars (\$4.00) per hour for an employee who voluntarily exceeds the monthly maximum.

- consisting of a cumulative work period of at least one-half hour over the normal work week of thirty-five (35), thirty-six and one-quarter (36.25), thirty-seven and one-half (37.50) or forty (40) hours per week as may be designated by the College for the employees concerned; or
- on an employee's sixth day of work in the week concerned.

### **6.6.2 Seventh Day - Double Time**

Employees referred to in Article 6.1.1 shall be entitled to payment at the overtime rate of double the employee's hourly rate for all authorized work performed on the employee's seventh day of work in the week concerned.

Employees engaged in continuous operations or on special shifts excluded from Article 6.1.1 shall nevertheless be entitled to payment at the overtime rate of double the employee's hourly rate for all authorized work performed on what amounts to any second day of rest in their schedule provided they have completed their regularly scheduled days of work and performed work on what amounts to any first day of rest in their schedule. Employees who have completed their regularly scheduled days of work but have not performed work on what amounts to any first day of rest in their schedule shall receive time and one-half their hourly rate for authorized work performed on what amounts to any second day of rest in their schedule.

### **6.6.3 Overtime Pay - No Pyramiding**

There shall be no duplication or pyramiding of overtime payment nor shall the same hours worked be counted as part of the normal work week and also as hours for which an overtime premium is payable.

### **6.6.4 Payment/Lieu Time**

Where an employee has worked and accumulated authorized overtime under Article 6 (except overtime hours performed on a holiday defined in Article 10) such employee shall have the option of electing payment at the applicable overtime rate or time off equivalent to the applicable overtime rate. Where the employee elects time off at the applicable overtime rate, such time off must be taken within sixty (60) calendar days of the occurrence of the overtime (unless extended by agreement of the College and the employee) at a time determined by the College and satisfactory to the employee. Where time off in lieu is not taken on the foregoing basis, payment shall be made in accordance with the applicable overtime rate.

### **6.6.5 Overtime Rights**

The parties to this Agreement recognize that College operations may require the performance of overtime work and that employees will co-operate in the performance of such work. The College will advise employees of required overtime as far in advance as practicable and, in any event, will give notice of scheduled overtime required prior to the conclusion of the preceding work day except in circumstances beyond its reasonable control. The Colleges agree to attempt to distribute available overtime work as equitably as practicable amongst qualified employees in the work groups in which overtime work is required. Whether or not advance notice of required overtime has been given, the College shall take into consideration the legitimate requests of employees to be excused where the performance of overtime by such employees would cause undue hardship or serious inconvenience. and,

- (ii) for up to a maximum of 51 additional weeks while the employee is on pregnancy and/or parental leave, and provided the employee is eligible to receive Employment Insurance (EI) benefits pursuant to Sections 22 or 23, *Employment Insurance Act*, S.C. 1996, c.23, as amended from time to time, or was eligible to receive such EI benefits but has

received the maximum number of weeks payable, payments equivalent to the difference between the sum of the weekly EI benefits the employee is eligible to receive and any other earnings received by the employee, and ninety-three percent (93%) of the actual rate of pay for their position which the employee was receiving on the last day worked prior to the commencement of the leave. The weekly top-up payment will be calculated using the weekly EI benefit that would be payable to the employee (i.e. 55%) without regard to any election by the employee to receive a lower EI benefit spread over a longer period of time as may be permitted under the *Employment Insurance Act*.

### **12.6.5.3 Compliance with *Employment Insurance Act***

Notwithstanding Article 12.6.5.1 and 12.6.5.2, the terms of this plan will be construed so that it complies with Regulation 37(2) of the E.I. Act.

In no event will the top-up payment exceed the difference between 93% of the employee's actual weekly rate of pay that the employee was receiving on the last day worked prior to the commencement of the leave and the sum of the employee's EI benefit calculated without regard to an election by the employee to receive a lower EI benefit spread over a longer period of time as may be permitted under the *Employment Insurance Act* and any other earnings received by the employee.

The employees have no vested right to payments under the plan except to payments during a period of unemployment specified in the plan. (Reference: 37(2)(h) E.I. Regulations).

Where an employee has been transferred to a different position pursuant to Article 13.4.1, the SUB Plan payments will be based on the actual rate of pay for the position they worked in prior to the transfer.

## **12.7 Prepaid Leave Plan**

### **12.7.1 Purpose**

The Prepaid Leave Plan has been developed to afford employees in the bargaining unit the opportunity of taking a leave of absence of between six (6) months and one (1) year and to finance the leave through deferral of wages in an appropriate amount which will be accumulated and together with interest, be paid out at the commencement of the leave.

### **12.7.2 Eligibility**

Any employee in the bargaining unit having three (3) years seniority with the College is eligible to participate in the Plan in accordance with the conditions set out in this Article.

**12.7.2.1 Application**

An employee who qualifies as above must make written application to the President of the College or designate at least three (3) months in advance of the proposed commencement date of participation in the Plan, requesting permission to participate in the Plan setting out the deferral program as requested.

**12.7.2.2 Approval**

Approval of individual requests to participate in the Plan, the duration of the leave, the deferral period, and the percentage of wages deferred shall rest solely with the College.

**12.7.2.3 Deferral**

The deferral period over which wages are deferred shall be to a maximum of five (5) years.

**12.7.2.4 Leave**

The length of the leave shall not exceed one (1) year.

**12.7.2.5 Written Agreement**

The College and the employee shall enter into a written agreement setting out the terms of the Plan agreed to in compliance with the conditions herein.

**12.7.3 Terms and Conditions**

The payment of wages and benefits, and other terms and conditions, shall be as follows:

**12.7.3.1 Wages**

During the deferral period, preceding the leave, the employee will be paid a reduced percentage, in accordance with the written agreement between the College and the employee, of their wages as set out in Appendix E. The remaining percentage of their wages will be deferred and this accumulated amount plus any interest earned shall be retained for the participant by the College to finance the period of leave.

The percentage deferred shall not exceed an amount determined by dividing the length of the period of leave by the sum of the length of the deferral period and the length of the period of leave and multiplying by 100 (e.g., if length of deferral period = 4 years and length of leave = 1 year, then maximum deferred salary = 20 per cent), but under no circumstances shall the amount deferred exceed the maximum specified in the Canada Revenue Agency directives.

**12.7.3.2 Interest Rate**

The calculation of interest under terms of this Plan shall be monthly (not in advance). The interest paid shall be calculated by averaging the interest rates in effect on the last day of each month for a true savings account, a one (1) year term deposit, a three (3) year term deposit, and a five (5) year term deposit. The rates for each of the accounts identified will be those set out in writing by the bank branch with which the College deals. If at the last day of any given month the appropriate bank is not marketing one or more of the above listed products, the remaining products will be averaged.

Interest, calculated as above, shall be applied on a monthly basis, the first credit to be the month following the initial deposit. A yearly statement of the amount standing to the participant's credit will be sent to the participant by the College.

**12.7.3.3 Deferral Period (Benefits Structuring)**

During the deferral period, any benefits related to the rate of wages shall be structured according to the wages the participant would have received during the deferral period had they not been in the Plan.

**12.7.3.4 Employee Benefit Coverage & Premiums**

A participant's coverage for Life Insurance, OHIP, LTD, Extended Health, Dental, Vision, and Hearing Care Plans coverage, in effect immediately prior to the leave, will be maintained by the College during their leave of absence, if eligibility conditions permit; however, the premium costs of all such Plans shall be paid by the participant during leave.

**12.7.3.5 Leave Period (Benefits Structuring)**

During the leave period, any benefits related to the rate of wages shall be structured according to the rate of wages the participant would have received immediately prior to the leave had they not been in the Plan.

**12.7.3.6 Payout**

At the commencement of the period of leave, the College shall pay to the participant the moneys standing to their credit less any premiums or contributions deducted for the year, except as may otherwise be mutually agreed, it being understood that interest is not earned for the period of leave.

**12.7.3.7 Assignment on Return**

On return from leave, a participant will, subject to the application of the layoff and displacement provisions of this Agreement during the period of leave, be assigned to the position they held prior to the leave. If the layoff and displacement provisions of the Agreement have application during the leave, they shall apply to the employee in the same manner during the leave, except that notice to the employee may be given to an Officer of the Local Union and any election the employee may make under such provisions may be made on their behalf by an Officer of the Local Union.

**12.7.3.8 Applicability of Benefits**

Short Term and Long Term Disability benefits shall not be available during the leave, nor shall vacation be taken during the leave, nor shall vacation credits accumulate during the leave. However, seniority shall accumulate for the entire period of leave, and service for the purpose of otherwise determining the level of vacation entitlement shall include the period of leave. Notwithstanding Article 11.6 a participant may, in the year or years prior to the leave, defer sufficient vacation credit so that, in the vacation year of their return to work, they will have up to their normal vacation entitlement.

**12.7.3.9 Withdrawal Rights**

A participant may, with the approval of the College, withdraw from the Plan in unusual or extenuating circumstances (e.g., financial hardship or serious illness). Requests for withdrawal must be submitted in writing, detailing the reason(s) for withdrawal before three (3) months prior to commencement of the leave. The College shall maintain the request and its approval as a part of College records.

When a request for withdrawal is approved, the College shall pay to the employee a lump sum amount equal to moneys deferred plus interest accrued to the date of withdrawal from the Plan. Payment shall be made as soon as possible, but must be made within thirty (30) days of approval of withdrawal from the Plan.

**12.7.3.10 Leave Postponement**

The College may, for good and sufficient reason, up to three (3) months prior to commencement of the leave, postpone the period of the leave for not longer than one (1) year. In this instance, a participant may choose to remain in the Plan, or receive payment as in Article 12.7.3.9 above.

The participant may, for good and sufficient reason, request in writing that the leave period be postponed. The College may, at its discretion, grant a postponement, but under no circumstances shall the postponement exceed one (1) year.

**12.7.3.11 Interest Accumulation**

Should Article 12.7.3.10 result in a leave of absence being taken later than the intended period, any moneys accumulated until the intended commencement date will continue to accumulate interest until the leave is granted.

**12.7.3.12 On Leaving Employment**

Any participant who resigns, is laid off or otherwise terminated prior to commencement of the leave shall cease to be a participant in the Plan, and shall receive payment as in Article 12.7.3.9 above.

### **12.7.3.13 Death Clause**

Should a participant die while enrolled in the Plan, any moneys accumulated, plus interest accrued at the date of death, will be paid to their estate. Every agreement entered into under Article 12.7.2.5 shall state that moneys paid to the estate of an employee under this section are a "right or thing" within the meaning of the *Income Tax Act* and shall be taxable as income in the year of the employee's death in accordance with the *Income Tax Act*.

### **12.7.3.14 Serious Illness**

Should a participant be unable to take the leave when scheduled because of serious injury or illness occurring before commencement of the leave, they may cancel the leave and receive payment as in Article 12.7.3.9 or, with the consent of the College, defer the leave to a time mutually agreeable, not to exceed one (1) year.

## **12.7.4 Income Tax**

During each taxation year, the participating employee's income tax liability shall be in accordance with the *Income Tax Act* and directives from Canada Revenue Agency. Similarly, the withholding tax deducted at source by the College shall be in accordance with the *Income Tax Act* and directives from Canada Revenue Agency.

## **12.8 Domestic or Sexual Violence Leave**

An employee shall be granted a leave of absence if the employee or a child of the employee experiences domestic or sexual violence, or the threat of domestic or sexual violence, and the leave of absence is taken for any of the following purposes:

1. To seek medical attention for the employee or the child of the employee in respect of a physical or psychological injury or disability caused by the domestic or sexual violence.
2. To obtain services from a victim services organization for the employee or the child of the employee.
3. To obtain psychological or other professional counselling for the employee or the child of the employee.
4. To relocate temporarily or permanently.
5. To seek legal or law enforcement assistance, including preparing for or participating in any civil or criminal legal proceeding related to or resulting from the domestic or sexual violence.

Pursuant to the *Employment Standards Act, 2000*, the first five (5) days of the leave in each calendar year will be paid days by the College. The days may be taken intermittently or in one continuous period. The employee may be granted additional paid leave at the discretion of the College.

The College agrees that an employee who is the subject of domestic or sexual violence will not be subject to discipline if the absence or performance issue can be linked to the domestic or sexual violence.

Section 49.7 of the *Employment Standards Act, 2000* continues to apply.

Should the *Employment Standards Act, 2000* change and this provision be removed, or reduced, the College shall maintain the current level outlined above.

### **13. HEALTH AND SAFETY**

The parties acknowledge the application of the *Occupational Health and Safety Act*.

The current practices relating to the supply and maintenance of clothing or uniforms for employees shall continue during the term of this Agreement subject to any changes which shall be the subject of prior discussion between the College and the Union College/Campus Committee.

##### **13.2.1 Safety Devices**

The College will reimburse an employee for the cost of certain types of protective devices, as follows:

###### **13.2.1.1 Footwear**

Where an employee is required by the College or by legislation, in order to perform their duties, to acquire and wear protective footwear, the employee shall provide the College with proof of purchase by March 1 each year and the College shall reimburse such employee, on the first pay day in April in each year, up to a maximum of one hundred and seventy-five dollars (\$175.00).

In situations other than the foregoing, the College may, in its discretion, (which discretion shall not be unreasonably exercised) reimburse such expense where it is recommended by the health and safety committee constituted under the *Occupational Health and Safety Act*.

###### **13.2.1.2 Eye Protection**

Where an employee is required by the College or by legislation, in order to perform their duties, to acquire and wear prescription eye protection, the employee shall provide the College with proof of purchase by March 1 each year and the College shall reimburse to such employee, on the first pay day of April in each year, up to a maximum of thirty dollars (\$30.00); in situations other than the foregoing, the College, may in its discretion, (which discretion shall not be unreasonably exercised) reimburse such expense where it is recommended by the health and safety committee constituted under the *Occupational Health and Safety Act*.

##### **13.2.2 Other Equipment Required by the *Occupational Health and Safety Act***

Where legislation requires specific safety equipment for an employee to perform their duties, the College shall provide such equipment at no cost to the employee. Specific eligibility issues shall be resolved by the Health and Safety Committee constituted under the *Occupational Health and Safety Act*.

### **13.3 Prior Arrangements**

Where, as a result of local practice, at an individual College, employees have, in the opinion of the Local Union, received benefits superior to those provided in Article 13.2.1, such practice shall continue, for the duration of this Agreement, in lieu of the provisions of Article 13.2.1 at the election of the Local Union. The Local Union shall give notice of such election to the College, within sixty (60) days of ratification. In the event of default of such notice, the provisions of Article 13.2.1 shall apply.

### **13.4 Video Display Terminals**

The parties agree to the following terms respecting the use of video display terminals (VDT's) by employees:

#### **13.4.1 Pregnancy (Transfer)**

- an employee who is assigned to operate a VDT as part of their duties, who believes that they may be pregnant, shall, at their request, be assigned duties that do not include the operation of a VDT for up to twenty (20) working days or until the status of their pregnancy is confirmed, whichever is sooner; their hourly rate of pay shall be maintained for such period;
- an employee who is assigned to operate a VDT as part of their duties and who is pregnant (as certified by a medical practitioner) shall, at their request be assigned duties that do not include the operation of a VDT for the duration of their pregnancy. In such a case, the College may transfer the employee to another position for the duration of the pregnancy, and the employee shall be paid the rate of pay of the position to which they are transferred. The College will endeavour to minimize loss to the employee by attempting to locate a vacancy for which the employee is qualified. Such a vacancy should have a wage rate reasonably close to that of the employee's own position. Where more than one (1) vacancy exists for which the employee is fully qualified to perform the work without training, the College, if it transfers the employee, will assign the employee to the vacancy in the position having the maximum rate closest to, but not exceeding, the maximum rate of the employee's own payband.
- where a pregnant employee working within a one-metre radius of a VDT requests to have their work station moved outside the one-metre radius, the College will endeavour to accommodate that request.

#### **13.4.2 Eye Examinations**

Employees classified as Microcomputer Operators or Data Entry Operators who regularly use a VDT and such other employees as are agreed upon by the Union College/Campus Committee, (constituted under Article 4.6) shall, at the commencement of employment in such classification and annually thereafter, be given the opportunity to take an eye examination by an optometrist who is qualified to give the following tests:

#### **13.4.3 Work Breaks**

Employees who regularly use a VDT shall not be required to perform more than one (1) hour's continuous work at a VDT to the exclusion of other duties at any one time, and the College shall ensure that a break from the machine (which shall include the performance of other work), of ten (10) minutes duration, is made available under such circumstances.

#### **13.4.4 Work Stations**

Where a computer is being used, the College shall equip work stations with terminal tables at an appropriate height, an adjustable chair and, where requested, a foot rest and/or a document holder.

#### **13.4.5 VDT Testing**

Where an employee has reasonable cause to believe a health and safety problem exists with their VDT, the employee may request that tests be conducted. Should the College not be able to resolve the employee's concern, the College will request that the Ministry of Labour, Occupational Health and Safety Branch, conduct appropriate tests.

### **13.5 Hepatitis "B" Vaccine**

Where an employee's job places the employee at risk of being infected with Hepatitis "B", and the employee agrees to be vaccinated, the College shall pay for the employee's vaccination if the procedure is not covered by OHIP.

### **13.6 Environmental Conditions**

The College will continue to make reasonable provision for the environmental conditions of air, light, space and temperature of employees' work areas in the College. A complaint of an employee concerning the environmental conditions mentioned above shall be discussed at a meeting between the College and the Union College/Campus Committee.

## **14. JOB SECURITY**

### **14.1 Probationary Period**

An employee will be on probation until they have completed six (6) months of employment with the College in any twelve (12) month period. At the discretion of the College, the probationary period may be reduced for an individual employee to such period of time as the College may determine. On successful completion of the probationary period, they shall then be credited with seniority equal to the probationary period served, and seniority thus acquired shall be applied in the manner set out in this Article.

### **14.2 Accumulating Seniority and Service**

#### **14.2.1 Leaves of Absence**

Seniority and service shall accumulate for all purposes under the Collective Agreement for a period of up to, but not to exceed, six (6) calendar months during the term of this Agreement during any leave (s) of absence granted, with or without pay, pursuant to the provisions of this Agreement.

#### **14.2.2 Pregnancy, Parental, Developmental Leaves and Less than 12 Month Positions**

Notwithstanding the foregoing, seniority and service shall accumulate:

- during the length of a pregnancy and/or parental leave;
- during the length of developmental leave;
- and for any period of layoff pursuant to the Less Than 12 Month Positions Letter of Agreement.

#### **14.2.3 Probationary Employees**

This Article shall not apply in the case of probationary employees who shall be required to complete six (6) months of active employment to attain seniority unless waived by the College.

#### **14.2.4 Layoff**

It is understood that seniority but not service accumulates during periods of layoff under Article 15.

#### **14.2.5 Workplace Safety and Insurance**

Service shall accumulate for up to twelve (12) months of absence while in receipt of Workplace Safety and Insurance benefits.

### **14.2.6 Short Term Disability, Long Term Disability and Workplace Safety and Insurance**

Seniority will continue to accumulate while an employee remains on Short Term Disability, Long Term Disability or in receipt of Workplace Safety and Insurance benefits.

### **14.3 Transfer Into Union**

A person employed by the College, who is transferred into the bargaining unit, will be accorded full seniority, upon completion of the probationary period, based on length of service. Part-time support staff employees transferred into the bargaining unit, after November 14, 1991, shall have their seniority prorated, upon completion of their probationary period, based on a proration of hours of the part time position to the hours of the full-time position using 1820 hours per year as constituting the hours of the full-time position.

It is understood, however, that for the purposes of the application of Article 15.4, administrative staff and employees in the academic staff bargaining unit, who are transferred into the bargaining unit shall be entitled to exercise only that portion of their seniority, if any, accumulated as an employee in the bargaining unit or what formerly was the bargaining unit.

### **14.4 Bilingual Policy**

Notwithstanding any official policy on bilingualism established at the College, no present employee shall be laid off from the College as a direct result of their inability to communicate in the French language. Recognizing that the College has the responsibility to determine the language requirements of any position, the College will, however, not unreasonably deny promotional opportunities to employees because of language requirements. Pursuant to Articles 4.6, 4.6.1 and 4.6.2 the Local Union may request a meeting and management will explain the reasons for the language designation.

### **14.5 Rehiring**

Where employment in the bargaining unit ceases or is terminated and the employee is re-employed at the same College within six (6) years, the employee's service and seniority from the original date of hire shall be counted as unbroken, except that the period of non-employment in the bargaining unit shall not count. This provision shall have no effect on the probationary period to be served on re-employment. The parties agree that such re-establishment of service and seniority shall only occur after the rehiring, if any, has taken place.

### **14.6 Employment Stability**

#### **14.6.1 Employment Stability Committee**

The parties will establish an Employment Stability Committee (ESC) of up to three (3) persons appointed by the Local Union and up to three (3) persons appointed by the College to undertake the responsibilities contained within Articles 14.6 and 15.3.

The parties agree to meet at least once in the Spring, Fall and Winter semesters at times that are mutually convenient.

Members shall not suffer any loss of pay during regular working hours when required to leave their duties temporarily for the purpose of attendance at meetings. The Union acknowledges, however, that the employees have their regular duties to perform and will not absent themselves without first obtaining permission from their immediate supervisor, and reporting to their immediate supervisor upon returning to their regular duties. In keeping with this understanding, permission to attend meetings shall not be unreasonably withheld consistent with College operating requirements.

#### **14.6.2 Strategies**

The ESC will seek to achieve employment stability strategies as follows:

- current and multi-year strategies should be developed within the resources available. Such strategies could include, but not necessarily be limited to, planning, retraining, identifying ways of determining employees' skills, training and experience previously achieved, early retirement, voluntary exit programs, alternative assignment, secondment, employee career counselling, job sharing, job trading, job shadowing, and professional development;
- discussions between the parties which explore these possible strategies would assist in the development of appropriate enhancements to Employment Stability;
- data which is relevant to employment stability shall be made available to both parties.

#### **14.6.3 Employment Stability Fund**

The College shall make available to the ESC for the purposes set out in Article 14.6, an annual contribution, covering the period of September 1 to August 31, to the Employment Stability Fund (ESF) on September 1 of each year, an amount equal to \$50.00 per full-time member of the bargaining unit at the College (as of August 1 in each year). Where the amount of the ESF is equal to or exceeds an amount equal to \$500.00 per full-time member of the bargaining unit at the College (as of August 1 in each year), the obligation of the College to contribute shall be suspended until the fund is again below that amount. In such a case, the next annual contribution required by the College shall be \$50.00 per full-time member of the bargaining unit at the College (as of August 1 in each year), or the amount required to restore the ESF to \$500.00 per full-time member, whichever is less.

The ESF shall be maintained in a separate joint trust account at a bank or other financial institution at which the College maintains one or more of its accounts and through the authority of the ESC, the chief financial officer shall disburse funds as directed. The joint account shall be named "(College name) – Full-Time Support Staff Employment Stability Fund". The books and records of this fund shall be open for inspection by any member of the ESC at any time during regular business hours.

Any requisition for a cheque and/or withdrawal from an account in which the ESF is maintained shall be countersigned by one member of the ESC appointed by the College and by one member appointed by the Local Union.

**14.6.3.1 Administration of the Employment Stability Fund**

The ESC shall administer and make decisions with respect to the ESF, by using the ESF, or such portion as the ESC considers appropriate, to facilitate employment stability strategies, both long-term and short-term, and for training or retraining. Surplus funds, if any, that are not immediately required for this purpose, may be invested at the instructions of the ESC in any account or certificate of deposit maintained and/or issued by a bank or financial institution.

**14.6.3.2 Employment Stability Fund Arbitrator**

Where there is no majority decision under Article 14.6.3.1, any member of the ESC may refer the matter to the Employment Stability Fund Arbitrator (ESFA).

There shall be an ESFA established at each College to be appointed by agreement of the President of the College and the President of the Local Union. The appointment, which may be renewable by mutual agreement, shall be for one (1) year, commencing on September 1 and expiring on August 31. In the event that the President of the College and the President of the Local Union are unable to agree upon the appointment of an ESFA, either the College or the Local Union may request the Minister of Labour to appoint an ESFA and the ESFA shall, upon appointment by the Minister of Labour, have the same powers as if the appointment had been made by the College and the Local Union.

The ESFA may make any decision that the ESC is empowered to make under Article 14.6.3.1.

The ESFA shall determine appropriate procedure and shall issue a decision within ten (10) calendar days of the referral of the matter to the ESFA. The ESFA shall hear the representations of the parties and shall adopt the most expeditious and informal procedure possible.

The decision of the ESFA shall be final and binding on the parties and any employee affected by the decision. The ESFA shall have no power to alter, modify or amend any part of the Agreement nor to make any decision inconsistent therewith.

The College and the Union shall each pay one-half (2) of the fees and expenses of the ESFA.

At the same time, the College shall provide the Local Union with all data used by the College, including but not limited to staffing and financial information, in formulating its tentative determination to undertake the action contemplated.

### **15.3 Committee**

#### **15.3.3 Recommendations**

It shall be the duty of the ESC to consider the matter and to make recommendations to the President of the College with respect to any or all of the alternatives listed below which might be resorted to in order to prevent or minimize the dislocation of employees:

1. Potential creation of vacancies that might be filled by affected employees;
2. Conversion of part-time positions and/or displacement of non-bargaining unit employees;

It will be the duty of the ESC to make recommendations to the President of the College within fourteen (14) calendar days of notice provided under Article 15.2. #### **15.3.4 Confidentiality of Recommendations**

Where recommendations, either joint or separate, are delivered to the President of the College, they shall be maintained as confidential until the fourteen (14) calendar day period mentioned in Article 15.2 has expired, or such other period as may be agreed by the Local Union and the College.

#### **15.3.5 Notice to Employees**

##### **15.3.5.1 Written Notice of Layoff**

#### **15.4.1 Probationary Employees**

Probationary employees performing the work in question shall be released. The College shall notify the Union of probationary employees released in these circumstances.

### **15.4.2 Post Probationary Employees**

### **15.4.3 Bumping Procedure**

The employee so identified shall be assigned by the College to the first position determined in accordance with the following sequence:

- to a vacant position in the same payband provided they can satisfactorily perform the core duties and responsibilities of the job. If there is no such position then;
- to the position held by the most junior employee within their same payband provided they can satisfactorily perform the core duties and responsibilities of the job and they have greater seniority. If there is no such position then;
- to a vacant position in the payband with a maximum rate one lower than the employee's own payband provided they can satisfactorily perform the core duties and responsibilities of the job. If there is no such position then;
- to the position held by the most junior employee in the payband with a maximum rate one lower than the employee's own payband provided they can satisfactorily perform the core duties and responsibilities of the job and they have greater seniority;
- the provisions of the last two sections shall be repeated until all paybands have been reviewed in descending order of maximum rate and either a vacant position or a position held by a more junior employee is identified and the employee affected can satisfactorily perform the core duties and responsibilities of the job. If no such position is identified the employee shall be laid off.

(To illustrate how this sequence operates on or after March 1, 2007, see the Layoff/Recall Process – Bumping Letter of Understanding appended to the Collective Agreement).

### **15.4.4 Layoff or Reassignment**

#### **15.4.4.1 Notice**

The employee shall be provided written notice of layoff or reassignment. Should the employee receive notice of reassignment, the employee may elect in writing, to be laid off in lieu of such reassignment, provided such election is made within five (5) working days of notice being provided to the employee. In such case the date the employee received the notice of reassignment shall be deemed to be the date of notice of layoff. The College shall provide a further letter to the employee confirming layoff.

#### **15.4.4.2 Position Outside Forty (40) Kilometres**

Where the position identified in accordance with the above sequence is in excess of forty (40) kilometres from the location at which the employee is normally assigned, the employee shall have a further right of election. #### **15.4.7 Rate of Pay**

An employee who has been assigned to a position pursuant to the above procedure shall continue to receive their current rate of pay for a period of ninety (90) calendar days. Thereafter, an employee who has been assigned to a position pursuant to the above procedure shall receive the rate within the payband for the new position, which is closest to, but does not exceed, their current rate and for the purpose of further progression, if any, within the payband shall be deemed to have service within such position equivalent to their service in their prior position. The ESC may consider using the ESF to offset the cost for the ninety (90) day differential between the two wage rates.

In deciding the amount of severance pay required to be paid by the College, any pay in lieu of notice or severance pay required to be paid under the *Employment Standards Act, 2000* shall be deemed to be a credit toward the severance pay entitlement under Article 15.5. Any further displacement of employees as a direct result of their return shall be accomplished by transferring such employees to their former position and wage rate without loss of seniority unless otherwise agreed upon and such transfer shall not be the subject of any grievance.

### **17.1.2.1 Job Reversal Posting Exemption**

Where the employee was receiving the maximum rate, the increase shall not be less than the difference between the maximum rate and the preceding rate step in the former payband. The new wage rate shall not exceed the maximum rate of the new payband.

### **17.2.2 From A Temporary Position**

When an employee is assigned temporarily to a position, and then receives a promotion or re-evaluation to the same position or to a position which is sufficiently similar in nature, the employee's wage rate in the temporary position will be used to calculate the new wage. Otherwise the employee's last wage rate in their permanent position shall be utilized. The new wage rate shall not exceed the maximum rate of the new payband.

Where the College has at least four (4) weeks' notice of a temporary vacancy in the bargaining unit which is expected to be of more than four (4) months' duration, the College shall post the temporary vacancy so that bargaining unit employees can indicate their desire to be selected for such vacancy.

Recognizing that the College reserves the right to select a person in the bargaining unit or hire a temporary employee at its discretion, where a bargaining unit employee is selected as a temporary replacement the employee will have the right to return to their regular position or its equivalent on the expiration of the temporary assignment. The first resultant temporary vacancy shall also be posted in accordance with this clause if it meets the criteria. It is understood that none of the clauses of Article 17.1 apply to temporary vacancies.

### **17.3.2 Higher Wage Rates**

When the duties and responsibilities of a position within a higher rate payband (or having a higher maximum salary) are assigned temporarily by the College to an employee, for a period in excess of one (1) working day, the following conditions shall apply:

- the affected employee shall be paid the next higher rate in that payband which provides an increase of not less than the incremental amount available to the employee in the payband occupied immediately prior to the assignment providing the resultant rate does not exceed the maximum rate of the new payband;
- where such employee was receiving the maximum rate, the increase shall not be less than the incremental differential between the maximum rate and the preceding rate in that payband providing that such new rate does not exceed the maximum rate for the payband to which they are temporarily assigned.

### **17.3.3 Lower Wage Rates**

When the College temporarily assigns an employee to the duties and responsibilities of a position in a payband with a lower rate range or maximum salary where there is no work reasonably available for them in the position from which they were assigned, they shall be paid the lower applicable wage rate to which they were assigned after the expiration of ten (10) consecutive working days in such lower payband.

When the College temporarily assigns an employee to the duties and responsibilities of a position in a payband with a lower rate range or maximum salary where there is work reasonably

available for them in that position from which they were assigned, they shall continue to be paid at the rate applicable to the position from which they were assigned.

The College will notify the Union Local of the employee's name, excluded position title, and the date of when the employee is expected to return to their home position.

#### **17.3.5 Emergency Work Assignment**

The parties to this Agreement recognize that if the College has been unsuccessful in obtaining Appendix D employees, College operations may require the assignment of work that necessitates full-time bargaining unit employees to perform work at another campus, which is not the employee's regularly assigned workplace due to emergency circumstances beyond the College's reasonable control. When the College has given notice of such an emergency work assignment, the College shall take into consideration the legitimate requests of employees to be excused where the performance of such an assignment would cause undue hardship or serious inconvenience. If the emergency work assignment is in excess of forty (40) kilometres from the employee's regularly assigned work location, the employee shall have the right to refuse such assignment.

### **17.4 Transfers**

When a College determines that an employee is to be transferred between campuses, it will give the employee at least three (3) weeks' notice of the transfer. This Article will not apply where transfers are made pursuant to the layoff procedures. In such circumstances the applicable layoff process will apply.

If the employee is transferred to a work location more than eighty (80) kilometres distant from the employee's previous work location then Article 15.9 shall apply.

### **18.3.5 Union Grievance**

The Union shall have the right to file a grievance based on a difference arising directly out of the Agreement concerning the interpretation, application, administration or alleged contravention of this Agreement. However, such grievance shall not include any matter upon which an employee is personally entitled to grieve and the regular grievance procedure for a grievance peculiar to an individual employee shall not be bypassed except where the Union establishes that the employee has not grieved an unreasonable standard that is patently in violation of this Agreement and that adversely affects the rights of persons in the bargaining unit.

A Union grievance shall be presented in writing, signed by the Local Union President or their designee to the Director of Human Resources or as designated by the College concerned, within thirty (30) days after the circumstances giving rise to the complaint have occurred, or have come to or ought reasonably to have come to the attention of the Union. The grievance shall then be processed in accordance with Step 2 of the grievance procedure.

### **18.3.6 College Grievance**

The College shall have the right to file a grievance based on a difference arising directly out of the Agreement concerning the interpretation, application, administration or alleged contravention of this Agreement. Such grievance shall be presented in writing, signed by the President or their designee to the Local Union President of the College concerned with a copy to the Union President within thirty (30) days following the occurrence or origination of the circumstances giving rise to the grievance.

The grievance shall then be processed in accordance with Step 2 of the grievance procedure with the appropriate changes. Failing settlement following Step 2 meeting, such grievance may be referred to mediation/arbitration providing such referral is within fourteen (14) days of the receipt of the Step 2 reply.

### **18.3.7 Grievances re: Dismissal, Suspension, Layoff or Reassignment**

#### **18.3.7.1 General**

Articles 18.3.7.2 and 18.3.7.3 apply to an employee covered by this Agreement who has completed their probationary period, it being understood that the dismissal, suspension or release of an employee during the probationary period shall not be the subject of grievance.

#### **18.3.7.2 Grievance**

An employee who claims they have been dismissed or suspended without just cause or improperly laid off or reassigned shall, within fifteen (15) days of the date they are advised in writing of their dismissal, suspension, layoff or reassignment present their grievance in writing to the President, commencing at Step 2 and the President, or their designee shall convene a meeting and give the grievor and the Union Steward their decision in accordance with the provisions of Step 2 of Article 18.3.1.3. A Union Staff Representative may be present at such meeting at the request of either the College or the Local Union.

**18.3.7.2.1 Layoff Grievance**

An employee claiming improper application of Article 15.4.3, shall state in the grievance the position(s) and name of incumbent, if any, to which the employee claims entitlement.

The College will provide the current PDFs of the positions, named in the grievance, to the employee within three (3) days after the filing of the grievance.

If the grievance is not resolved, then the written referral to mediation/arbitration shall specify, from the position(s) originally designated, no more than four (4) positions which shall thereafter be the subject matter of the grievance and the arbitration.

**18.3.7.3 Mediation/Arbitration**

If the grievor is not satisfied with the decision of the President, the grievor shall, within ten (10) days of receipt of the President's decision by notice in writing to the Director of Human Resources or College's designee, refer the matter to mediation/arbitration, for the purpose of resolving the grievance in an expeditious and informal manner, as provided in this Agreement.

**18.4 Mediation/Arbitration Procedure**

**18.4.1 Referral to Mediation/Arbitration**

In the event any difference arising from the interpretation, application, administration or alleged contravention of this Agreement has not been satisfactorily settled under the foregoing grievance procedure, the matter shall then, by notice in writing given to the other party within ten (10) days of the date of receipt by the grievor of the decision of the College's Official at Step 2, be referred to mediation/arbitration as provided.

**18.4.2 Mediators/Arbitrators**

Any matter so referred to mediation/arbitration, including any questions as to whether a matter is arbitrable, shall be heard by a Mediator/Arbitrator, which shall be selected from the following list:

- |             |             |
|-------------|-------------|
| A. Durette  | J. Parmar   |
| E. Gedalof  | S. Price    |
| D. Leighton | D. Randazzo |
| J. Nyman    | S. Raymond  |
| K. O'Neil   | M. Wilson   |

- The Mediator/Arbitrator shall be assigned either by agreement or, failing agreement, by lot. The parties may from time to time by mutual agreement add further names to such list;
- If an Arbitration Board is selected, following the selection of a Chairperson, the College and the Union shall each appoint its nominee within ten (10) days thereafter and forthwith notify the other party and the Chairperson.

### **18.4.3 Mediator/Arbitrator**

The Mediator/Arbitrator shall endeavour to assist the parties to settle the grievance by mediation. If the parties are unable to settle the grievance by mediation, the Mediator/Arbitrator shall determine the grievance by arbitration.

### **18.4.4 Powers**

The Mediator/Arbitrator shall have those powers set out in the *Colleges Collective Bargaining Act, 2008*, except that Section 14(16) of the *Colleges Collective Bargaining Act, 2008* shall not apply.

### **18.4.5 Limitations**

The Mediator/Arbitrator shall not be authorized to alter, modify or amend any part of the terms of this Agreement nor to make any decision inconsistent therewith nor to deal with any matter that is not a proper matter for grievance under this Agreement.

### **18.4.6 Mediator/Arbitrator's Power**

The Mediator/Arbitrator may dispose of a grievance without further notice to any person who is notified of the hearing and fails to appear. The finding of the Mediator/Arbitrator as to the facts and as to the interpretation, application, administration or alleged contravention of the provisions of this Agreement, shall be final and binding upon all parties concerned including the employee(s) and the College.

### **18.4.7 Arbitration Board**

Where both parties agree, a Board of Arbitration, which shall have the same powers and limitations as a Mediator/Arbitrator, may be substituted for an Arbitrator. The nominees shall be selected pursuant to Article 18.4. The finding of the majority of the Board as to the facts, and as to the interpretation, application, administration or alleged contravention of the provisions of this Agreement, shall be final and binding upon all parties concerned including the employee(s) and the College.

### **18.4.8 Persons Excluded**

No person shall be appointed as a Mediator/Arbitrator or as a member of an Arbitration Board who is, or was within six (6) months prior to their appointment an employee or is or has within six (6) months prior to their appointment, acted as solicitor, counsel, advisor, agent or representative of either of the parties or the College concerned. Any Mediator/Arbitrator who declines to act on five (5) consecutive occasions shall be removed from the list and a replacement selected by mutual agreement of the parties.

### **18.4.9 Scheduling of Mediation/Arbitration**

Where one party refers a grievance to mediation/arbitration in accordance with this Article, that party will endeavour to arrange for the matter to be scheduled at joint grievance scheduling within one-hundred-and-twenty (120) days.

## **18.5 Classification Grievances**

### **18.5.1 Grievance to College Official**

An employee who claims their assigned job is improperly evaluated may present a grievance in writing to the College official designated responsible for classification grievances.

The written grievance must specify the payband claimed by the employee to be appropriate.

#### **18.5.1.1 Retroactive Payment**

It is understood that there shall be no retroactive payment prior to the date of presentation of the written grievance as specified above.

### **18.5.2 Grievance Process**

#### **18.5.2.1 Step 1- Meeting and Information Provided**

The College Official shall arrange a meeting within fourteen (14) days after receiving the grievance to permit the employee and a Local Union Representative the opportunity of making representations in support of the grievance.

The College Official shall ensure that the current Position Description Form (PDF), as per Article 7.2, is provided at least five (5) days prior to the meeting. At the meeting, the employee must first indicate in writing whether they are in agreement with the PDF and if not what specific disagreements they have with it. A discussion to resolve any differences shall then take place. At this meeting, following discussion on the PDF, both parties will exchange, in writing, the point rating by factor for the position in dispute.

#### **18.5.2.2 College Official's Decision**

Within fourteen (14) days after the receipt of the point rating by factor from the Union, the College Official shall give their decision in writing. It is understood that the grievance cannot proceed further until the point rating by factor and the specific disagreements on the PDF, if any, have been received by the College Official, in writing from the Union.

#### **18.5.2.3 Referral to Arbitration After Step 1**

Where the grievance has not been resolved at Step 1 but there is agreement concerning the PDF, the matter may be referred directly to Arbitration by notice in writing given to the College within fourteen (14) days of the date the grievor should have received the College's decision under Step 1. The matter will be referred to a sole arbitrator as provided in Article 18.5.3.

**18.5.2.4 Step 2**

Where the grievance has not been resolved and where the grievor is not in agreement with the PDF, then they shall refer the grievance in writing to the President of the College within fourteen (14) days of the date they received or should have received the decision.

The President or their designee shall convene a meeting concerning the grievance within fourteen (14) days of the presentation, at which the grievor shall have an opportunity to be present. The President or their designee shall give their decision in writing, within fourteen (14) days following the meeting.

**18.5.2.5 Referral to Arbitration After Step 2**

Where the grievance has not been resolved at Step 2 the matter may be referred to Arbitration by notice in writing given to the College within fourteen (14) days of the date the grievor should have received the College's decision under Step 2. The matter will be referred to a sole arbitrator as provided in Article 18.5.3. On mutual written agreement signed by the Local Union and the College, the matter shall be referred to an Arbitration Board as provided under Article 18.5.4.1.

**18.5.3 Expedited Arbitration**

Where the grievance has not been resolved, it shall proceed as herein provided:

**18.5.3.1 Arbitrators**

Any matter so referred to arbitration, including any questions as to whether a matter is arbitrable pursuant to this process, shall be heard by one of the following specially trained Arbitrators:

- |            |             |
|------------|-------------|
| J. Cavé    | R. McLaren  |
| A. Durette | K. O'Neil   |
| E. Gedalof | D. Randazzo |
| N. Jesin   |             |

The Arbitrators shall be assigned either by agreement or failing agreement, by lot. The parties may from time to time by mutual agreement add further names to such list.

All Arbitrators so added shall undergo a training session on the job evaluation system, to be jointly developed and presented by the parties, and all current Arbitrators shall undergo reorientation to the job evaluation system every two (2) years.

**18.5.3.2 Time**

A sole Arbitrator appointed under this expedited process shall commence to hear the matter referred within twenty-one (21) days of their appointment wherever possible, and shall issue a brief written notice of their decision within fourteen (14) days of the hearing. Copies of the decision shall be sent to the Local Union, the College, OPSEU/SEFPO Grievance Department and the CEC.

### **18.5.3.3 Arbitration Data Sheet**

The Arbitration Data Sheet must be completed and signed by both parties in advance of the hearing.

### **18.5.3.4 Information to Arbitrators**

The following shall be received by the Arbitrator no less than fourteen (14) days prior to the hearing:

- the PDF supplied by the College;
- a completed Arbitration Data Sheet;
- a brief written submission by the Union describing the grievance and referencing appropriate section(s) of the PDF;
- a brief written submission by the College.

The parties shall deliver their written submissions to the other party at the same time that they are forwarded to the Arbitrator.

No written submission or materials can be considered at the hearing that have not been provided by the parties in conformity with the process set out in this clause.

### **18.5.3.5 Site**

The hearing will take place at a site mutually acceptable to the parties. Failing agreement, the Arbitrator shall select the site.

### **18.5.3.6 Hearing**

The parties agree that the process shall be informal and that legalistic processes normally used in conventional arbitration shall not be used. Up to three (3) Management representatives and three (3) Union representatives may attend the hearing. The parties will inform each other no less than five (5) days in advance who will attend. One (1) person from each side will be designated as spokesperson. The Arbitrator may ask questions of any of the Union or Management representatives present. The spokesperson for each party may give a summary statement normally not exceeding fifteen (15) minutes at the conclusion of the question period. While it is generally not the intent of the parties to use an outside legal counsel at an expedited arbitration hearing, the parties agree that where they intend to use such counsel at the hearing, they shall notify the other party at least ten (10) days before the date of the hearing. In addition a translator may be present if necessary. The side that requests the translator shall be responsible for the cost involved. By mutual written agreement five (5) days in advance each party may introduce an observer/observers to the meeting.

## **18.5.4 Classification Arbitration Board**

The Arbitrator appointed under Article 18.5.3.1 may decide that a particular grievance should be referred to an Arbitration Board on receipt of the documents referred to in Article 18.5.3.3 or in Article 18.5.3.4 or at the hearing. Either party may recommend such referral in its written submission to the Arbitrator.

#### **18.5.4.1 Arbitration Board Selection**

The chairperson of the Arbitration Board shall be selected from the list included in Article 18.5.3.1 and the nominees selected pursuant to the provisions of Article 18.4.

#### **18.5.5 Powers of Arbitrators in Classification Grievances**

A sole Arbitrator or Arbitration Board hearing a classification grievance shall have the powers set out in Articles 18.4.4 to 18.4.7 inclusive.

##### **18.5.5.1 Restrictions**

The sole Arbitrator or Arbitration Board is restricted to determining whether the grievor's PDF accurately reflects their assigned job content (where disagreement exists) and to determining whether the grievor's job is properly evaluated pursuant to the CAAT Full-Time Support Staff Job Evaluation Manual.

The sole Arbitrator or Arbitration Board may not consider any examples of "regular & recurring" and/or "occasional" activities or responsibilities in excess of the number provided for in the PDF template.

Where the job content is disputed, each of the grievor and the College may submit the number of "regular & recurring" and/or "occasional" activities or responsibilities provided for in the PDF template.

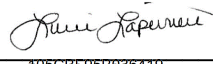

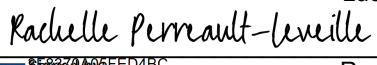

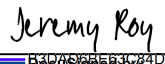

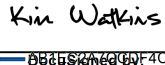

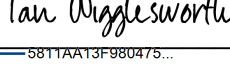

### 19. DURATION

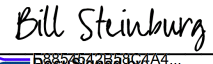

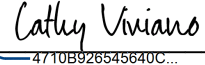

This Agreement shall continue in full force and effect until the 31st day of August, 2028 and shall continue automatically thereafter for the annual periods of one (1) year each unless either party notifies the other in writing of its desire to amend or modify the Agreement.

Notice to bargain shall be in accordance with the *Colleges Collective Bargaining Act, 2008*, and following receipt of notice to bargain the parties shall meet within thirty (30) days following such notice or such other time as may be agreed to.

### Red Circle Rates

Certain employees within the bargaining unit as of September 1, 2025 enjoyed "red circle" rates paid due to special circumstances including transfers to positions within the bargaining unit. To the extent those special circumstances continue during the term of the Collective Agreement, the employees in question shall continue to enjoy such "red circle" rates and the cents per hour differential over their respective rates and the then current applicable wage rate for the payband shall apply, subject to the reduction (or elimination) of such red circle rates by the lesser of 10 cents per hour or the elimination of such "red circle" rate, effective from September 1, 2025.

The Full-Time Support Staff Collective Agreement now provides an 18-hour formula, under Article 5.2, for time off for Local Union business at Colleges with Full-Time Support Staff complements of 350 or more. This will confirm our understanding that Mohawk College and Northern College will be considered to be Colleges to which this formula will apply for the duration of this Agreement.

### **Less Than 12 Months Positions**

It is recognized that the Colleges have positions within the bargaining unit from time to time that, because of the nature of the service rendered, require staffing for less than twelve (12) months a year. In such a case, where less than full time employment is identified prior to the time of hiring such employees, the College may effect a layoff of such employees for a period of up to but not exceeding three (3) months in any employment year without regard to the provisions of the Collective Agreement. Notwithstanding the foregoing, seniority and service shall accumulate for all purposes under the Collective Agreement during such period of layoff. This provision shall have no application where the employee in lieu of layoff hereunder has been granted a leave of absence in which case Article 14.2 shall have application.

Prior to posting such a position, the College shall notify the Local Union of the circumstances and, where the Local Union requires discussion and explanation as to the basis for such a position being reduced to less than a twelve (12) month basis, it may request a meeting with the College, at which time a full explanation of the circumstances surrounding the designation of the position shall be given.

The Colleges shall provide Less than 12 Month employees with the option of continuing their insured benefit coverage during the period of annual lay-off provided the employee pays 100% of the premiums.

### **VDT & EERC**

This will record certain understandings reached during negotiations for a renewal of the Full-Time Support Staff Collective Agreement, with respect to the new Article 13.4.

Where the Union College/Campus Committee is unable to reach agreement concerning additional employees to be affected by Articles 13.4.2 and 13.4.3, it is understood that either the College or the Local Union can refer the matter to the Employee/Employer Relations Committee for further discussion.

It is also understood that the Colleges will provide the Local Unions, on request, reasonable information respecting the locations of VDT equipment in use by employees in the bargaining unit in the Colleges, and the classifications of employees engaged in its use. Such requests shall be made within sixty (60) days after ratification of the Agreement and the Colleges will respond without undue delay.

### **Long Term Disability**

This is to confirm the understanding reached at negotiations that the CEC agrees to amend the Long Term Disability Plan such that the definition of "total disability" for the first two year period during which benefits may be payable shall mean the inability of the disabled employee to perform the duties of their position. ### **Layoff/Recall Process – Bumping**

For clarity, the parties agree that the following illustrative examples demonstrates the general sequence of assignment which occurs pursuant to Article 15.4.3, after March 1, 2007.

#### **Illustrative Example 1:**

Assuming that an employee in payband C is to be laid off and no vacant position exists in payband C, the employee is first considered to replace the most junior employee in their payband. If the employee cannot satisfactorily perform the core duties and responsibilities of the job, then they are considered to replace the next most junior person in their payband, and so on. Once all positions in the employee's payband that are held by more junior employees are considered, and it is determined that the employee cannot satisfactorily perform the core duties and responsibilities of the job, vacancies in payband B are considered. Assuming no suitable vacancies in payband B exist, the position held by the most junior employee in payband B is considered. If the employee cannot satisfactorily perform the core duties and responsibilities of the job, the position held by the next most junior employee in payband B is considered, and so on until all positions held by more junior employees in payband B are considered. If none are suitable, vacant positions in payband A are considered, etc. The employee will be assigned to the first position identified pursuant to this sequence for which they can satisfactorily perform the core duties and responsibilities of the job.

#### **Illustrative Example 2:**

Employee #1 is in a position evaluated at payband D and is grand-parented at payband E (wage) and payband F (Article 15). For bumping purposes, Employee #1's rights start at payband F. Following the sequence above, if a vacant position in payband F does not exist, then consideration is given to a position in payband F held by a more junior employee. If Employee #1 can satisfactorily perform the core duties and responsibilities of the position in payband F held by the junior employee (Employee #2), then Employee #1 is assigned to both that position and the appropriate wage rate in payband F. Employee #1 is no longer grand-parented for any purpose. Employee #2 is grand-parented at payband G (wage and Article 15). Therefore, for bumping purposes, Employee #2's rights start at payband G and the steps outlined above are followed. If Employee #1 cannot satisfactorily perform the core duties and responsibilities of any position in payband F, then vacancies in payband E are considered. Assuming no suitable vacancies in payband E exist, the position in payband E held by the most junior employee is considered. If Employee #1 cannot satisfactorily perform the core duties and responsibilities of the job, the position in payband E held by the next most junior employee is considered, and so on until all positions in payband E held by more junior employees are considered. If none are suitable, vacant positions in payband D are considered, etc. Employee #1 will be assigned to the first position identified pursuant to this sequence for which they can satisfactorily perform the core duties and responsibilities

of the job and the corresponding wage rate for that position. Employee # 1 is no longer grand-parented for any purpose.

### **Job Postings – Other Colleges**

This is to confirm the understanding reached at bargaining that in the event of a vacant position in the bargaining unit which a College advertises outside the College in a newspaper or other trade journal, the College will fax such positions to the Human Resources Director of all Colleges and OPSEU/SEFPO. The Human Resource Directors shall provide a copy to their Local Union President. At the time an employee is laid off and provided the individual chooses to retain recall rights, the College will assist the individual to prepare a portfolio in order to facilitate placement in appropriate vacancies. Such portfolios may include such things as a performance appraisal, resume, skills assessment, current PDF and circumstances which triggered the layoff. The College will send the portfolio to any College requested by the individual. The College agrees to consider portfolios in its possession for appropriate vacancies at its College which are advertised outside the College in a newspaper or other trade journal, for the duration of their recall rights.

Should the College with a vacancy hire an employee through the above process, then the employee shall retain all past service for purposes of benefit entitlement and vacation. It is understood such retention of service shall not be credited towards the probationary period or seniority. The College may start the employee at a step higher than the start rate on the appropriate payband.

### **Joint Transitional Committee**

The parties agree to establish a Joint Transitional Committee to explore the potential impact of a directive from the Ministry of Colleges, Universities, Research Excellence and Security, which would displace five (5) or more Full-Time Support Staff employees due to:

- a) the creation of a new College;
- b) a College merger;
- c) a program relocation from one College to another;
- d) other restructuring initiatives affecting multiple Colleges.

The parties recognize the principles and process established in Article 14.6 and further recognize that the specifics of some matters will only become apparent when the particular programs and services to be offered at the College have been identified.

The affected College(s) will strive to achieve the transfer of program(s) so that the transfer does not cause the layoff of employees as a direct result of the transfer.

The structure of the Joint Transitional Committee will be three (3) representatives chosen by OPSEU/SEFPO and three (3) representatives chosen by the CEC. Each party will ensure at least one (1) representative is from an affected College(s). Their mandate will be to:

- a) review the principles and guidelines as specified within the Letter of Understanding - Transfer of Programs and Services from St. Lawrence and Algonquin Colleges to La Cité collégiale (as set out in the 1997 - 2000 Collective Agreement);
- b) recommend the sequence for job postings and selection of affected employees;
- c) recommend in a timely fashion the appropriate processes or mechanisms to address the Ministry's directive.

The Joint Transitional Committee will be replaced by a Task Group comprising of:

- one (1) person appointed by each affected College
- one (1) person appointed by the OPSEU/SEFPO Local at each affected College

- one (1) person appointed by the re-mandated College (where applicable)
- one (1) person appointed by OPSEU/SEFPO for the Local Union at the re-mandated College (where applicable)
- one (1) person appointed by the CEC
- one (1) person appointed on a provincial basis by OPSEU/SEFPO

Based on the recommendations from the Joint Transitional Committee and keeping in mind the requirements of the Agreement, the function of the Task Group will be to make recommendations:

- a) to facilitate the movement of the bargaining unit members;
- b) regarding strategies to achieve this objective;
- c) to assist bargaining unit members who choose to transfer in adjusting;
- d) to assist bargaining unit members who have not transferred with retraining or other strategies to deal with dislocations.

### **Automobile Insurance**

This will confirm the parties' agreement that for those employees for whom the ownership/lease and use of an automobile is a condition of employment, the College will pay, to a maximum of one hundred and fifty dollars (\$150.00) per year, the difference between private automobile insurance and commercial automobile insurance, if required by the employee's insurer. ### **Article 15.5.1 – Severance Pay**

***Note: For the term of the 2025-2028 Collective Agreement, this Letter of Understanding is superseded by the NEW Letter of Understanding – Enhanced Severance Payments***

For ease of reference in applying Article 15.5.1, the parties have agreed to summarize the current severance pay obligations under the *Employment Standards Act, 2000* as of September 1, 1997, for employees with more than five (5) years of employment, recognizing that reference should always be made to the Act, and the Act is subject to amendments from time to time.

Employees with more than five (5) years of employment are entitled to receive severance pay equal to the employee's regular wages for a regular non-overtime work week times (x) the number of years of employment to a maximum of twenty-six (26) weeks. A partial year of employment is prorated by month.

Employees with more than five (5) years of employment who are laid off may elect to receive their severance entitlement pursuant to the Act. If such an election is made the employee is deemed to have waived their recall rights under the Collective Agreement.

If the employee chooses to retain recall rights, the employee's severance entitlement is paid out when the employee's recall rights have expired or at any time the employee chooses to waive recall rights.

If an employee who has chosen to retain recall rights is subsequently recalled, the severance payment is retained by the College.

### **Accrual of Service and Seniority**

The parties agree that to the extent that Articles 8.1.10.1, 14.2, and 11.2 may contain limitations on the accrual of service, seniority or vacation, during periods of LTD or illness or while in receipt of WSIB benefits and these limitations are found to violate the *Ontario Human Rights Code*, the employer agrees to hold the Union harmless from any penalties or damages that may be assessed against the Union as a result of such finding.

### **Return to Work**

Every College shall have a Return-to-Work (RTW) policy within six (6) months from December 18, 2003 to support injured and ill employees in returning to work. Each policy shall contain the following:

- a statement of commitment that describes how the program will operate, which may include a permanent or ad hoc Return-to-Work Committee, consisting of representatives from the College and the Local Union
- strategies that support the statement of commitment and form a framework within which individual return-to-work cases are managed
- a description of roles and responsibilities for the various stakeholders involved in the RTW process
- a RTW process that outlines the steps to be followed in managing individual return-to-work cases, including a mediation component, if appropriate
- a communications and training component
- a process for regular reviews of the program

It is agreed that where a meeting as contemplated in this letter takes place by mutual consent, during regular working hours, representatives of the Local Union shall not suffer any loss of pay during regular working hours when required to leave their duties temporarily for the purpose of attending such a meeting. Time off to attend meetings shall not be unreasonably denied.

## **Implementation of the New Job Evaluation System**

### **Time lines**

The new job evaluation system will be in effect on March 1, 2007. During this time the following will occur:

- Human Resources staff and the Local Union will be trained by the Classification Review Committee (CRC) on the new system including directions on how to write a position description form (PDF)
- using the "train the trainer" model, Human Resources will train supervisors and employees on how to write a PDF
- all PDFs must be rewritten and evaluated using the new system
- CRC will issue the new payband structure and the Collective Agreement, which will be modified, where appropriate, to reflect the changes for the system

### **Implementation Guidelines**

#### **a) Determination of Payband**

Using the new job evaluation system, the College will evaluate a position and determine the appropriate payband under the new structure. Using the incumbent's current hourly rate, the level assigned to the position will be the first level encountered that contains an hourly rate that is equal to or greater than the individual's current hourly rate.

Any position that is evaluated at a payband that does not contain an hourly rate equivalent to or higher than the incumbent's current hourly rate will retain the evaluated payband but the employee will be assigned the "grand-parented" or higher payband (definition follows).

#### **b) Definition of "Grand-parenting"**

The definition of "grand-parenting" for the purpose of determining an employee's payband and/or hourly wage for the implementation of the new system is:

- the position will retain the payband that was assigned through the evaluation process
- the incumbent's hourly wage rate will be grand-parented to the first payband that contains a hourly wage rate equivalent to or higher than the incumbent's current hourly wage rate

- for salary administration, pension and group insurance purposes, the incumbent will be treated at the grand-parented higher hourly wage rate. For example, for LTD purposes the grand-parented wage will be insured and if the employee does go off on LTD their monthly benefit will be based on the grand-parented payband.
- for the purpose of Article 15, the incumbent's rights will be treated at their grand-parented payband and not the payband of the position. For example, bumping rights will begin at the payband of the employee and not the payband of the position. In some cases, the payband that an employee is grand-parented at for salary administration purposes and Article 15 may be different. This will only happen in some unique circumstances when an employee is progressing through the wage grid. To determine an employee's "grand-parented" payband, use the maximum wage rate (4 year rate) of the employee's current payband to find the first payband that contains a hourly wage rate equivalent to or higher than the maximum wage rate of the incumbent's current payband.
- should an employee who is at a grand-parented payband, be reassigned through Articles 15 or 17.2, to another position (either to a higher or lower payband) then the employee will no longer be grand-parented and will be paid the wage rate appropriate for the position assigned. For example, if the employee is successful for a job competition to a position that has a wage rate either higher or lower, the employee will receive the wage rate for the position and will no longer be grand-parented. Note - this would not apply to temporary assignments contemplated under Article 17.3.
- when the position becomes vacant - both it and the employee who is newly assigned to it will be paid at the appropriate payband rate the position has been evaluated at.

**c) Determination of Payband for Existing Red Circle, Swan or Grand-parented Employees**

Outlined below are the steps to be followed when determining the payband and wage rates for individuals who are currently red-circled, swan rated (individuals in special computer classifications due to a 1987 arbitration decision) or grand-parented.

1. The "red-circle amount" is the difference between the hourly wage in Appendix E of the current Collective Agreement for the employee's payband and the hourly rate the College is paying the incumbent in the position.
2. Determine the appropriate level and hourly rate following the instructions outlined in a) above.
3. If the new rate is lower than the sum of the "red-circle amount" and the previous payband hourly wage, then that current hourly rate does not change (i.e. no increase to the employee's hourly wage) but the red-circle amount is reduced by the difference between the new hourly rate and the previous hourly rate. (see Example 1 below)
4. If the new rate is higher than the sum of the "red-circle amount" and the previous payband hourly wage, then that becomes the wage and the individual is no longer red-circled. (see Example 2 below)

Existing System:

Incumbent's currently hourly rate is \$18.19  
The payband hourly rate is \$15.69

Therefore, the "red-circle amount" is \$ 2.50

New System (after position evaluated):

Example 1

Payband hourly rate for the NEW system is	\$15.75
Incumbent's hourly rate remains at	\$18.19
"Red-circle amount" is	\$2.44 (only the red-circle amount is reduced)

Example 2

Payband hourly rate for the NEW system is	\$18.20
Incumbent's hourly rate increases to	\$18.20
"Red-circle amount" is	\$0 (no longer red-circled)

5. The "red-circling" provisions in the Collective Agreement will continue to apply to these individuals. There is no pyramiding of the "red-circling" and "grand-parenting" provisions.

#### **d) Progression**

If the level of the hourly wage rate assigned above (using (a) or (c)) is less than six (6) or the "4 year" rate, then the incumbent will be able to progress through the levels in accordance with Article 7.3.

Determination of the "progression" or "anniversary" date:

- if prior to the implementation date, the incumbent is progressing through the wage grid then the "progression" or "anniversary" date will remain unchanged; however,
- if the incumbent is at the maximum hourly wage rate, then the "progression" or "anniversary" date will be the effective date of the new system.

#### **e) Moratorium of Classification Grievances**

Effective September 22, 2005, the CRC will issue a moratorium on both reclassification requests and classification grievances being filed. This will remain in effect until March 1, 2007.

Any reclassification requests or classification grievances in process before this date can continue and classification arbitrations will be scheduled as needed.

#### **f) Article 6.1.2.2 Forty (40) Hours per Week**

With the introduction of the new job evaluation system, job families will no longer be associated with Full-Time Support Staff positions. If, prior to the implementation of the new system, an employee (hired before September 1, 1997) was assigned forty (40) hours per week, that employee will not have their hours reduced unless the employee agrees or they are the successful applicant for a position with fewer hours. The intent is not to disadvantage employees who were previously covered by this Article prior to the introduction of the new job evaluation system.

The Union shall reimburse the College for all pay during such leaves.

The Union will advise the Directors of Human Resources of the affected colleges, with copies to CEC, of the name of such employees, as soon as practical, and in any event at least twenty-one (21) days prior to the commencement date of the leaves. ### **Pregnancy and Parental Leave**

In addition to the changes agreed upon in Article 12.6, in the event the *Employment Standards Act, 2000* is amended to provide an extension to parental leave, the parties will attempt to agree on changes to Article 12.6 to permit the top up to be spread over the extended leave period at a reduced rate, provided that this does not result in the College paying, in total, a greater amount of top up than it would pay if the leave was not extended and is in compliance with legislative requirements. If the parties are unable to agree on the language, the issue can be referred to binding arbitration before a mutually agreeable arbitrator who will have no jurisdiction to make a decision inconsistent with the preceding sentence.

- (vii) recommend to the CEC when an ad hoc adjustment should be implemented to increase the monthly benefit level of existing LTD claimants. It is understood that:
  - (a) the cost of the adjustment must be financed from funds held in the LTD Deposit Accounts which are in excess of 25% of annualized premium and the cost must be shared in accordance with the premium sharing arrangement in effect on the date of the ad hoc adjustment; and
  - (b) in determining the viability of such an adjustment, the Committee must exercise prudent financial planning to ensure the cost of the ad hoc adjustment combined with reasonably predictable costs of future experience trends will not jeopardize the financial stability of the Plan or result in additional premiums to be payable in the current or immediately following Plan Year.
- (viii) Management will be responsible for the recording of the public and in-camera Minutes that will represent the major subject matters discussed.

The draft Minutes will be distributed to all Committee members within a reasonable time following each meeting. At the next meeting of the JIC, the Committee will move for approval of the Minutes with any agreed upon amendments, additions or deletions to the Minutes. The Minutes shall be signed by the Co-Chairpersons of the Committee.

Each party may distribute copies of the approved public Minutes to their respective principals as they see fit. The approved in camera minutes will not be posted or distributed outside of the Committee.

## **5. Specifications for Public Tender**

When specifications for public tender are required to obtain the services of an insurance carrier, the duties of the Committee shall be to:

- (a) develop and recommend specifications for tender;
- (b) consider and examine all tenders submitted in response to the specifications;
- (c) make a recommendation to the CEC with respect to the selection of a carrier.

The specifications for tender will describe the benefits to be provided, the cost sharing arrangements, the past financial and experience history, the appropriate employee data, the format for the retention illustrations for each coverage, the financial reporting requirements, and other parameters as appropriate.

The tendering process will be conducted in accordance with the CEC's Procurement Policy. Tenders shall be entertained from any insurance carrier and such carrier may act solely on its own behalf or may arrange reinsurance as may be necessary.

The basis for recommendation of an insurance carrier will include the ability of the carrier to underwrite the Plan, compliance of carrier's quotation with the specifications for tender, the carrier's service capabilities and the expected long term net cost of the benefits to be provided.

## **6. Policy Renewals**

Following receipt of an existing insurance carrier's proposal for renewal of an insurance contract, the Committee shall:

- (a) examine and analyze the proposal, assessing the completeness, fairness and validity of the proposal;
- (b) assess the funding methods employed in the insurance policy;

- (e) make recommendations to the CEC with respect to acceptance of the carrier's renewal proposals, funding methods and deposit account administration.

The basis for recommendations for renewal will take into account the level of service provided by the carrier and the expected long term net cost of benefits.

## **7. Experience Review**

The Committee will also meet as required to review the financial experience under the Plans. The specifications for tender will describe the information to be included in the financial statements to be prepared by the insurance carrier(s). These statements will include paid premiums, paid claims, changes in reserve requirements for open and for unreported claims, incurred claims, the retention elements of commissions, taxes, administrative expenses, contingency reserve charges and interest credits on claims and other reserves. The Committee shall request the insurance carrier(s) to provide such additional information as may be necessary.

## **8. Recommendations**

If the Committee fails to agree on any recommendation to the CEC that is contemplated by these Terms of Reference, the members of the said Committee nominated by the CEC and OPSEU/SEFPO may each make a recommendation in writing to the CEC, supported by reasons for their respective recommendations.

It is understood that the CEC at all times retains the right to select whatever carrier(s) (to underwrite the Group Insurance Plans) it may consider in the best interest of the employees and Colleges and, in so doing, is under no obligation to select a carrier(s) that may be recommended by the Committee.

**9. Benefits Entitlement Booklet**

There shall be a change log in the Benefit Entitlement Booklet documenting all amendments.

## **APPENDIX B Inclusion Procedures**

The parties recognize that the question of whether or not a particular person is or is not a member of the bargaining unit has not traditionally been dealt with at the bargaining table, and has normally been resolved by direct discussion between the CEC/College and the Union or by the Ontario Labour Relations Board based on the existing duties and responsibilities of the person in question.

The following conditions are applicable to persons who are employed by a College of Applied Arts and Technology (hereinafter called "the College") in positions designated as Administrative Staff or otherwise excluded from the Full-Time Support Staff Bargaining Unit and who are found to be bargaining unit employees as a result of specific decisions of the Ontario Labour Relations Board or by agreement of the CEC/College and the Union:

### **1. Terminology**

- (i) All references herein to Articles, Sections and Appendices shall refer to Articles, Sections and Appendices of the Collective Agreement for Colleges of Applied Arts and Technology Full-Time Support Staff Employees.
- (ii) "Employee" or "Employees" shall refer to persons who are employed by a College in positions designated as Administrative Staff or otherwise excluded from the Full-Time Support Staff Bargaining Unit and who are found to be Bargaining Unit employees as a result of specific decisions of the Ontario Labour Relations Board or by agreement of the CEC/College and the Union.

### **2. Application**

This Appendix shall apply to any persons included in the Full-Time Support Staff Bargaining Unit by decisions of the Ontario Labour Relations Board or agreement between the CEC/College and the Union, from January 1, 1980, and thereafter.

### **3. Determination of Payband**

Using the Full-Time Support Staff job evaluation system, the College shall determine the appropriate payband for the duties and responsibilities assigned to the position.

It is understood that the employee may challenge the propriety of such assignment under Article 18.5 and is limited to a claim that the assignment should have been to another payband.

### **4. Determination and Treatment of Wages**

- (a) If the employee's hourly rate calculated in accordance with Article 6.1 at the date of inclusion is less than or within the range as set out in Appendix E for the appropriate payband, placement will be at the step which is appropriate in accordance with the length of service in the position with the College; it will not be less than the hourly rate applicable at the date of inclusion.
- (b) If the employee's hourly rate calculated in accordance with Article 6.1 at date of inclusion is above the range as set out in Appendix E for the appropriate payband, placement will be

at maximum with no reduction in hourly rate, but that rate calculated is red circled and is subject to reduction according to future red circle agreements.

- (c) It is understood that reference to "date of inclusion" in this Appendix means the date of the Ontario Labour Relations Board decision unless extended by agreement of the parties or date of any agreement by the CEC/College and the Union.

## **5. Seniority**

Employees will be accorded full seniority based on length of service with a College calculated in accordance with Articles 14.1 and 14.2.

## **6. Vacation**

- (a) Employees will retain vacation entitlement earned as Administrative Staff or an otherwise excluded employee for the vacation year in which the date of inclusion occurs and one (1) additional vacation year and vacation pay shall be in accordance with Articles 11.2, 11.3 and 11.4.
- (b) Effective June 30th of the vacation year thereafter and of each subsequent vacation year, there will be a reduction in vacation entitlement of one (1) day until such vacation entitlement coincides with entitlement under the effective Collective Agreement for CAAT Full-Time Support Staff and vacation pay shall be in accordance with Articles 11.2, 11.3 and 11.4.
- (c) For the purpose of calculating an employee's vacation entitlement under Article 11, it is agreed that the employee will receive credit for one hundred per cent (100%) of their continuous service in the College.

## **7. Basic Life Insurance, Extended Health Insurance, Dental Insurance, Supplemental Life Insurance, Dependent Life Insurance, Short Term Disability Plan, Long Term Disability Insurance, Vision and Hearing Care Plans.**

These Full-Time Support Staff Plans are effective the first day of the third calendar month following date of inclusion.

## **8. All other terms and conditions of employment**

Except as specifically referred to herein, employees shall not be entitled to any terms or conditions contained in the Collective Agreement for CAAT Full-Time Support Staff employees prior to the date of inclusion.

## **9. Union Dues**

Union dues deductions will commence from the date of inclusion.

### **APPENDIX C Averaging of Hours**

1. The number of hours of work per week prescribed shall be computed as a weekly average over six (6) months where the duties of an employee require that they work more than the number of hours per week normally prescribed at regularly recurring times of the year, or that the number of hours per week be normally irregular.
2. The averaging period for the employee will conform to the six (6) month period which reflects the work cycle of that employee, and will be reported to the Union.
3. Periods of employment of less than six (6) months in an averaging period, e.g., due to appointment, transfer, separation, etc., will be pro-rated.
4. For the six (6) month averaging period, the hours of work required are nine hundred and ten (910) hours, which corresponds to a thirty-five (35) hour week, nine hundred and forty-two and one-half (942½) hours which corresponds to a thirty-six and one-quarter (36¼) hour week, nine hundred and seventy-five (975) hours corresponding to a thirty-seven and one-half (37½) hour week or one thousand and forty (1,040) which corresponds to a forty (40) hours week.
5. A record will be maintained for each employee affected showing a running total of hours worked. When an employee's accumulation of hours worked at the end of each three (3) month period is viewed by the College as excessive, they may be required to take time off, on an hour-for-hour basis, in order to bring their hours accumulation into line with the hours requirement for the averaging period. In such a case, they will be given reasonable notice where circumstances permit, of any such time off.

At the end of the averaging period, any excess hours standing to the employee's credit over and above the stipulated hours requirement will be considered as overtime and multiplied by one and one-half (1½) to show the employee's "overtime credit" for pay or compensating leave purposes.

6. The employee shall be paid for their overtime credits. Such payments shall be made at the hourly rate they were receiving on the last day of the averaging period.
7. Notwithstanding Paragraph 6, compensatory time off may, however, be substituted for payment of overtime credits where there is insufficient work for an employee to the extent that their presence is not required for a period of time. In such a case, the College has the authority to direct that the employee take time off rather than receive pay for their overtime credits, and such time off shall be taken during the first six (6) months of the next averaging period at a time mutually agreeable between the employee and the College.
8. Any hours worked on a holiday or other day that is not a regular working day for the employee will be treated as overtime and converted to "overtime credits" by multiplying by one and one-half (1½) and recorded for each employee. The employee shall be paid for all such overtime credits at least quarterly and at the rate they were receiving when the overtime was worked.

## **APPENDIX D Temporary Employees**

1. The terms of this Appendix apply to persons employed on a casual or temporary basis to replace bargaining unit employees absent due to vacation, sick leave or leaves of absence.
2. The rate to be paid to such an employee shall be the appropriate wage rate applicable to the position of the replaced employee, subject to progression steps applicable to the replacing employee, where appropriate.
3. The replacing employee shall be subject to the deduction and remittance of Union dues, as provided in Article 5.4 of the Agreement.
4. The Union shall be notified at the commencement of employment, and upon the expiry of the term of employment.
5. In addition to the hourly rate of pay, the employee shall receive an additional eight per cent (8%) in lieu of all fringe benefits, including vacation.
6. The employee shall be entitled to the provisions of Articles 4.4, 6.6, 7.5 and 10 of the Agreement.
7. The employee may be released by the College before the termination date of any term of employment, for replacement need changes or operational requirements.
8. Employees covered by this Appendix are entitled to utilize the grievance procedure to enforce the rights contained in this Appendix.
9. If an employee is appointed to a regular bargaining unit position after September 23, 1997, they shall be credited with full seniority, after completion of the probationary period, based on full credit for Appendix D service calculated at a day's seniority for each day worked (261 days of work equals one (1) year). When an Appendix D employee is appointed to a regular bargaining unit position and has previous service as a part-time Support Staff employee, seniority shall also be credited in accordance with Article 14.3.
10. For the purposes of job competitions, employees who have six (6) months consecutive service with the College shall be deemed internal applicants for the purposes of Articles 17.1.1, 17.1.1.1, 17.1.2.1 and 17.1.5.
11. No other provision of the Collective Agreement shall apply to Appendix D employees unless otherwise stated in this Appendix.
12. If an employee is the successful internal candidate for a position which they held immediately prior as an Appendix D, then the College shall waive the probationary period set out in Article 14.1 provided that the employee worked at least 910 hours in the Appendix D position.
