I am submitting a letter of recommendation from my Principal or appropriate Supervisory Officer to confirm that: (1) I have safely and successfully taught the technological education course for which I am requesting equivalency in its entirety at least once, and (2) that they have no concern or objection regarding my request for equivalency.

I confirm that I already hold a technological education qualification in grades 9 and 10 of the same Broad-Based Technology subject area[1] for which I am requesting equivalency.

I am submitting evidence of 12 months of paid work experience, including business or industrial experience, in which I have used skills and knowledge related to the Broad-Based Technology area for which I am requesting equivalency. Alternatively, I am submitting evidence of one of the following:

- 12 months of postsecondary education in which I have used skills and knowledge related to the Broad-Based Technology area for which I am requesting equivalency, or
