### THE LATEST NEWS ON YOUR COLLEGE

Two months ago the provincial government introduced Bill 78 to increase the size of the College Council and introduce new eligibility requirements for Council members.

Since then the government and the College have been working out the details of the new governance structure for the teaching profession.

Today, the College held an information session for interested organizations, sharing for the first time a detailed report on changes to the Council.

Some of this information is so new we weren't able to include it in the June issue of *Professionally Speaking* that you will receive in the next few days.

See [\*\*The Latest News on College Governance\*\*](#) to find out what education organizations heard today.

## MEMBERS CAN NOW REQUEST ITEMS ONLINE

Members can now request books and videos online and have them mailed to their home or school free of charge! Simply log into your **Members' Area account** and choose "Your Library" to access your new customized library page.

In addition, you can check the status of your holds, renew materials you've checked out and create your own library lists. You can even e-mail book lists to colleagues and friends.

We will mail books and videos without cost to your home or school address. Using a postage paid mailing label, you can also mail books back to the library free of charge.

The library has a circulating collection of more than 4,000 books and videos, approximately 200 professional journals and many other resources.

**What's New in the Library** is updated monthly and lists new items in the College library collection. You can borrow these items by contacting the library by phone, e-mail, fax or in person.

You can also request a literature search by library staff, who will mail, fax or e-mail the journal articles.

**More information regarding the library and its resources** or e-mail **library@oct.ca**.
