# Registration Guide for Becoming a Teacher of a Native Language

To teach in Ontario's publicly funded elementary and secondary schools, you must be a member in good standing of the Ontario College of Teachers. The College is the self-regulatory body for Ontario's teaching profession. It is our responsibility to ensure that everyone who is licensed to teach in this province is qualified.

If you are fluent in Anishinaabek, Mushkegowuk, Onkwehonwe or Lenape and wish to teach in Ontario schools, you need to complete a teacher education program designed specifically to prepare teachers of a native language. The education program for becoming a teacher of a native language is designed to be completed in multiple sessions.

Under the provisions of the *Ontario College of Teachers Act* and its regulations, applicants with certification in another Canadian province or territory will be assessed as labour mobility applicants.

# Requirements

This section outlines requirements for certification as a teacher of a Native language. Information on the proof needed to satisfy these requirements follows on pages 8 to 13.

---

## Certification Requirements

To teach a native language you must satisfy the College's language proficiency, sexual abuse prevention program, professional, and professional suitability requirements outlined below.

### Language Proficiency

You must be fluent in a language in one of these groups: Anishinaabek, Mushkegowuk, Onkwehonwe or Lenape.

You meet the College's requirement if:

- you completed your native languages teacher education program in Ontario or another Canadian jurisdiction and,
- the program is acceptable to the College.

If you completed your native language teacher education program outside Canada, you will need to provide proof of fluency in a language in one of the groups above.

## Professional Requirement – Teacher education program

You need to complete a teacher education program designed specifically to prepare teachers to teach a native language (Anishinaabek, Mushkegowuk, Onkwehonwe, Lenape). It must be completed at an Ontario faculty of education and be accredited by the College, or it must be an equivalent program acceptable to the College.

An acceptable program of teacher education must be at least four semesters of post-secondary study. Please note that in the Canadian postsecondary system, an academic year is usually comprised of two semesters.

The four-semester teacher education program generally consists of the following:

- education foundations (i.e. the history, philosophy and psychology of education)
- teaching methods
- practice teaching – a minimum of 80 days of practice teaching supervised by the program provider

- other areas of education to support methodology coursework, such as classroom management, how to use research data and new technology, supporting students with special learning needs and those from diverse communities.

Your teacher education program must be academic, not employment-based and completed at the postsecondary level. It must also lead to certification or authorization to teach in the jurisdiction where you completed the program.

Please be advised that the College determines the duration of teacher education coursework based on one academic year of study (the equivalent of two semesters) in a program.

If your program did not have the minimum 80 days (400 hours) of practice teaching, the College will accept evidence of at least 80 days of teaching experience as a certified teacher.

If you completed a teacher education program outside Canada, and you did not complete at least 80 days of practice teaching as part of your teacher education program, but you have completed at least 80 days of teaching experience, arrange for an education authority, or a principal, to send a letter directly to the College. This teaching experience must have occurred as a certified teacher and after the completion of your teacher education program.

This official letter needs to verify that you taught for at least 80 days in an elementary or secondary school. It must also list the dates of your employment and the grade levels and subjects you taught.

If you are certified in another Canadian jurisdiction, your teacher education program will meet the College requirements.

**If you are in a multi-session program in Ontario or another Canadian jurisdiction**

At the end of the first session of your multi-session teacher education program, you may request a Multi-Session Transitional Certificate of Qualification and Registration, which allows you to teach for up to six years, with a possible one-year extension. You must also maintain your good standing with the College during this time and pay your annual membership fee.

The first session of your program must have a practicum of a minimum of 10 days and 12 post-secondary credits or their equivalent. Of these, nine credits must be in education methods and three in education foundations, or six credits in methodology and six in foundations. This leads to a Multi-Session Transitional Certificate of Qualification and Registration.

If you do not complete your program within six years, your Multi-Session Transitional Certificate will expire unless you received a one year extension. If your certificate expires, you must complete a teacher education program before you can reapply to the College

If you hold a teaching certificate from another Canadian province or territory, you will be assessed as a labour mobility applicant under the *Ontario College of Teachers Act* and its regulations.

---

## Sexual Abuse Prevention Program

As of January 1, 2022, new legislation made it mandatory for all teacher applicants and Ontario Certified Teachers to successfully complete the College's sexual abuse prevention program (SAPP).

The program complements existing College resources on professional conduct and is a proactive step toward strengthening the profession by better protecting the safety and well-being of students.

Here's how the SAPP requirement affects you:

### Ontario applicants and internationally educated teachers

You must successfully complete the program to be considered eligible for certification.

Teacher applicants who successfully complete the program and become certified will see a notation indicating the program is "complete" on their public registry listing.

### Canadian certified teachers

All Canadian certified teachers applying to the College under the Ontario Labour Mobility Act (OLMA) must successfully complete the sexual abuse prevention program within one year of your certification date.

A notation indicating whether the program is "complete" or "to be completed" will be applied to certificates and the public register as of January 1, 2022.

If you do not complete the SAPP by your applicable deadline, your notation will change from "to be completed" to "incomplete."

The program is offered online at no cost. Please visit [oct.ca](https://oct.ca) → [Becoming a Teacher](#) → [Requirements](#) → [Sexual Abuse Prevention Program](#) to learn more.

## Professional Suitability

You must demonstrate that you are of good character to be able to teach in Ontario. To assess your professional suitability, the College requires that you provide:

- a current Canadian criminal record check report
- complete responses to the Applicant Declaration questions in the online application about your suitability for registration.

The Applicant Declaration is part of the online application and provides the College with information necessary to assess your professional suitability. It includes questions about your certification/authorization to teach in other jurisdictions, previous professional disciplinary proceedings or actions and criminal background.

Questions include, but are not limited to:

- has your authorization and/or certification to teach ever been suspended or cancelled in another jurisdiction, including outside of Canada, other than for failure to pay fees?
- have you ever been subject to an investigation or proceeding relating to working with children or students in capacities other than teaching?
- have you ever been disciplined by an employing school district or independent authority or other educational organization?

The complete Applicant Declaration is contained in the online application. You must answer all questions and provide details and explanations where appropriate before the College can process your application.

If you completed a teacher education program in a jurisdiction outside Ontario, you must also provide a teaching certificate and statement of professional standing from that jurisdiction, even if you never taught there, to demonstrate professional suitability.

If you are or were authorized or certified to teach in a jurisdiction outside Ontario, you must provide a teaching certificate and statement of professional standing from each applicable jurisdiction.

## Certification Outcomes

The following chart provides examples of certification outcomes related to your professional teacher education program.

These apply providing that you meet the academic, language proficiency, sexual abuse prevention program and professional suitability requirements for certification.

Please note that, once certified, the balance of coursework required to satisfy the duration and composition of the four-semester teacher education program will be listed as conditions on your certificate.

You are allowed to teach in Ontario's publicly funded schools while holding a certificate with conditions that result from incomplete registration requirements.

# Documents

When you apply to the College for certification, you will need to provide supporting documents.

---

Some documents you must submit to the College yourself, such as proof of identity and an original criminal record check.

Keep copies of what you submit as the College does not return documents.

Other documents, like transcripts or verification letters, must come directly from the institution to the College. Any document, whether a birth certificate or transcript, that is not in English or French must be translated according to the College requirements.

The College cannot waive requirements for any documents. The College may ask for more information about a document or for more documents.

## **Translation Requirements for Any Document Not in English or French**

You must arrange for a translator acceptable to the College to translate any document not in English or French.

For documents you submit yourself, such as a birth certificate, include the original translation with a copy of the certificate.

If the College receives an acceptable document from the granting institution that is not in English or French, we will send you a copy.

You must arrange for the translation. When you send us the original translation, include the copy of the foreign-language document.

All translations must be accompanied by an original statement from the translator indicating:

- the translation is accurate and authentic
- the translator belongs to one of the acceptable categories (see “Acceptable translators”)
- the identification number and/or seal, name, address and telephone number of translator
- printed name and original signature of the translator.

### Acceptable Translators

To obtain the name of an accredited translator, contact the Association of Translators and Interpreters of Ontario (ATIO) at 1.800.234.5030 or 613.241.2846 (email: [info@atio.on.ca](mailto:info@atio.on.ca); website: [atio.on.ca](http://atio.on.ca)).

Please confirm with ATIO that the translator is certified to translate from the language of the document into English or French. Translations completed by ATIO candidates for certification are not acceptable.

We also accept translations from:

- the consulate, high commission or embassy to Canada of the country that issued the documents; this information is available at [travel.gc.ca/assistance/embassies-consulates](http://travel.gc.ca/assistance/embassies-consulates)
- a translator who has received accreditation through a federal, provincial or municipal government in Canada
- COSTI translation services, if no other certified translator is available; COSTI-IIAS Immigrant Services at 416.658.1600, [info@costi.org](mailto:info@costi.org) or [costi.org](http://costi.org)
- a translator certified by a professional association of translators in Canada, a list of which is available on the website of the Canadian Translators, Terminologists and Interpreters Council at [cttic.org](http://cttic.org)
- a translator certified by The Ordre des traducteurs, terminologues et interprètes agréés du Québec (OTTIAQ), a list of which is available at [ottiaq.org](http://ottiaq.org).

Keep copies of what you submit as the College does not return documents.

## Documents You Must Submit

### Proof of identity

The College requires proof of your identity; a copy of an official document must show your:

- first, middle and last names at birth
- date and place of birth.

Submit a copy of one of the following documents. Or submit copies of more than one if needed to show all the information above:

- birth certificate
- passport (must list all names to be accepted)
- Certificate of Indian Status or Indian Status Card
- Certificate of baptism if born in Québec or in Newfoundland or Labrador before January 1994
- Permanent Resident Card (front and back)
- Canadian immigration record and visa (front and back)
- Record of Landing (front and back).

These are not acceptable as proof of identity: driver's licence, Ontario health card, Canadian citizenship card.

All documents not in English or French must be translated according to College requirements.

### Proof of name change, if applicable

If you married and changed your name, send a copy of your marriage certificate.

If you changed your name legally, send a copy of the change of name certificate or the court order that changed your name.

### Withholding a name from the public register

By law, the College must maintain a public register (Find a Teacher at [oct.ca](http://oct.ca)) listing members' names (former and current), their qualifications, academic credentials and their status with the College.

However, there are circumstances where a name can be withheld from the register, such as:

- if a member has never taught under a former name: upon request by the member, the Registrar has the authority to delete a former name from the register. If you have never taught under your former name, please complete and return the Request to Remove Former Name from Public Register form and include all supporting documentation with your request. This form is available at [oct.ca](http://oct.ca) → [Members](#) → [Members](#) → [E-Services](#).
- exceptional circumstances: in some cases, the Registrar can remove a former name a member has taught under. The circumstances could include risk to personal safety, or reasons of personal dignity, such as gender identification or gender expression.

If this applies to you, please provide a signed letter detailing the name(s) you would like withheld, the reasons why and your College application number. Additional supporting documentation may be required.

### Canadian criminal record check

You must submit an original, signed, Canadian criminal record check report.

The report must not be older than six months from the date the College receives it. The report must include your current and past full names. These will have to match your proof of identity documents.

The report must indicate that a search was done on all of your names (including first, middle, last and any former names) using the Canadian Police Information Centre (CPIC) database. A vulnerable sector check is not required for registration with the College (but will be accepted).

You can obtain a criminal record check report from a local, regional or national police service.

If you are applying from outside of Canada, you can obtain a criminal record check by contacting the Royal Canadian Mounted Police (RCMP) at [rcmp-grc.gc.ca](http://rcmp-grc.gc.ca).

Having a positive declaration and/or information obtained from a criminal record check will delay the processing of your application.

Having a criminal record does not mean you are automatically ineligible for certification. If there is something on your criminal record, your application will not proceed until the College receives an explanation from you that details all the dates, circumstances and outcomes of the events. The College assesses each report individually.

Check the date on your criminal record check. The College must receive it within six months of the issue date.

### Teaching certificates from other jurisdictions, if applicable

If you completed a teacher education program outside Ontario and/or were licensed in another jurisdiction, you must submit a copy of your teaching certificate, principal's certificate, or other document that confirms you were authorized to teach. This applies even if you did not teach there.

If you were authorized to teach in more than one jurisdiction, you must provide copies of the authorizations issued by each jurisdiction.

The College knows many countries do not issue these certificates. Many applicants can meet this requirement by sending a copy of their teacher education degree or diploma scroll to the College. For more information, see [oct.ca](http://oct.ca) → [Becoming a Teacher](#) → [Internationally-Educated Teachers](#) → [Country Specific Information](#), or [contact us](#).

---

## Documents an Institution Must Submit for You

Some documents must be submitted by institutions directly to the College on your behalf, such as transcripts. Please visit [oct.ca → Becoming a Teacher → Internationally-Educated Teachers → Country Specific Information](#) for more detailed information about your document requirements.

The College cannot accept these documents from you even if they are in a sealed envelope.

If you are certified in another Canadian jurisdiction and you are unable to provide official documents, the College will accept a certified true copy from your provincial or territorial ministry of education or college of teachers.

Any certified copy submitted must be a copy of an original document sent directly from a granting institution to the provincial or territorial ministry of education or college of teachers.

If the documents are not in English or French, ask the institution to include an English or French covering letter that includes your full name as it appears on your College application and your College application number. When we receive the document, we will send a copy to you so that you can arrange for translation. See “Translation requirements.”

If you have difficulty obtaining a document, you may be able to submit an alternative. Check the College website at [oct.ca → Members → Forms → Request for Assistance in Obtaining Documents](#).

## Transcripts

If you completed your education in Ontario, you may be able to order transcripts from the Ontario Universities’ Application Centre (OUAC) by clicking on the OUAC Transcripts link in your online College application.

Or check with the registrar’s office at the institution where you completed your education to find out how to order your transcript.

Transcripts issued to students and submitted to the College in a sealed, unopened envelope are not acceptable and will not be returned.

You may find it useful to review the information the College has gathered about academic documents from the country where you completed your education. For more information, see [oct.ca → Becoming a Teacher → Internationally-Educated Teachers → Country Specific Information](#).

If some of your credits came from a different institution, you may have to get a transcript from that institution as well.

In addition to your transcript, the College may ask you for a copy of the degree, diploma or certificate you received.

The College cannot waive the requirement for any document.

### Teacher education program transcript

Please review the general transcript requirements above, in addition to the information below.

The transcript must:

- have the institution's seal
- show the name of the degree or credential
- show the date it was granted
- be signed by the registrar or equivalent official
- show the length of practicum in hours, days or weeks
- show the hours or credits of study you completed for each course according to each term or year of study
- show the specific subjects for which you completed courses in teaching methods.

The information listed on an academic transcript can vary, depending on the jurisdiction. If your transcript does not contain all of the above information, please arrange for the institution to send a verification letter containing the additional information.

This letter must have the institution's seal and the signature of the registrar or equivalent official.

If your teacher education program was outside Canada or the US, sending a copy of your course descriptions – regardless of jurisdiction – can be helpful.

All documents not in English or French must be translated. See guidelines for translation requirements and accredited translators.

Transcripts and verification letters must come directly from the institution to the College. The College cannot accept them from you, even in an unopened, sealed envelope.

### Teacher education program transcript – If you are in a multi-session program in Ontario or another Canadian jurisdiction

Please see the general transcript information in addition to the information below.

If you have completed the first session of a multi-session program in Ontario or another Canadian jurisdiction, you must arrange to have your teacher education transcript sent to the College. Contact the institution where you completed your first session of a multi-session program and ask them to send a transcript to the College.

The transcript must show you have completed 10 days of supervised practice teaching and 12 postsecondary credits – or their equivalent.

### Ontario graduates – Converting your Multi-Session Transitional Certificate to a general Certificate of Qualification and Registration

When you have completed the rest of the program, the College requires:

- an official transcript showing completion of the rest of your program directly from the issuing institution
- a report from the faculty of education confirming completion of the program, sent directly from the faculty.

This must be completed before your certificate expires or you will be required to reapply and meet the certification requirements in place at the time.

### **Postsecondary studies transcript, if applicable**

Please see the general transcript requirements in addition to the information below.

Your transcript must:

- have the institution's seal
- show the name of the degree or credential
- show the date it was granted
- be signed by the registrar or equivalent official
- show the hours or credits of study you completed for each course according to each term or year of study.

If this information is not included on your transcript, ask the institution to also send the College a letter with the institution's seal and the signature of the registrar or equivalent official verifying the additional information.

Transcripts and verification letters must come directly from the institution to the College. The College cannot accept them from you, even in an unopened, sealed envelope.

### **Statement of Professional Standing**

The College requires a Statement of Professional Standing from each jurisdiction outside Ontario where you have been authorized to teach or to be a principal. This statement provides the College with a reference for your past professional practice and confirms your professional education program led to a licence to teach in the jurisdiction.

The statement must not be older than one year from the date the College receives it. The licensing authority (most likely an education ministry) must send it directly to the College. The statement must verify whether your certificate has ever been suspended, cancelled or revoked.

The College requires a Statement of Professional Standing from the jurisdiction where you completed your teacher education program even if you never taught in that jurisdiction.

The Statement of Professional Standing must come directly from the institution to the College. The College cannot accept it from you, even in an unopened, sealed envelope.

All documents not in English or French must be translated. See page 7 for translation requirements and accredited translators.
