- (a) that the Committee can accept as correct the facts alleged against the member on that allegation for the purposes of the proceeding only;

3.02(4) A plea of no contest does not prevent the member from introducing evidence on the issue of what order the Committee ought to make so long as the evidence is consistent with the facts found and findings made by the Committee after the plea of no contest.

3.02(5) A plea of no contest does not constitute an admission by the member as to the facts or findings in any other civil, criminal or administrative proceeding.

3.03 Joint Submissions

For greater certainty, this written plea inquiry may form part of an Agreed Statement of Facts and Guilty Plea or a Statement of Uncontested Facts and Plea of No Contest.

6.02(3) The member shall deliver their pre-hearing conference memorandum, as well as any documents the member believes will assist in achieving the purposes of the pre-hearing conference, at least ten days before the date of the conference.

6.02(4) The member is not required to disclose in their pre-hearing conference memorandum evidence that is not otherwise disclosable by these rules or by law.

6.02(5) Where a party fails to comply with the requirements at sub-rules (1)-(3) or requests the cancellation or rescheduling of a pre-hearing conference on short notice, the Committee may, at the end of the hearing, order that they pay costs in relation to their failure to comply with these rules or their unreasonable cancellation or rescheduling on short notice.

RULE 7 – DISCLOSURE AND PRODUCTION

7.01 Disclosure

7.01(1) The parties shall make such disclosure as required by law, by these Rules, and may make such additional disclosure that will assist in making the pre-hearing conference and the proceeding effective and fair.

7.01(2) In addition to anything that is required to be disclosed by law or that may be ordered by the Committee pursuant to sub-rule 7.01(3), each party shall deliver to the other party the following:

- (a) a list of all documents and things that the party intends to rely on in the proceeding;
- (b) copies of the documents and things the party intends to rely on in the proceeding; and
- (c) a list of all the witnesses the party intends to call and a summary of their anticipated evidence.

7.01(3) At any stage of the proceeding before completion of the hearing, the Committee may make orders for:

- (a) the exchange of documents;
- (b) the oral or written examination of a party;

- (c) the exchange of witness statements and reports of expert witnesses;
- (d) the provision of particulars;
- (e) the provision of a list disclosing all relevant documents and things in the possession or control of the party;
- (f) the provision of the opportunity for a party to view documents; or
- (g) any other form of disclosure.

7.01(4) Sub-rule (3) does not authorize the making of an order requiring disclosure of privileged information.

7.01(5) The College must comply with these disclosure Rules as soon as is reasonably possible after the Notice of Hearing is delivered, but in any case, at least 10 business days before the start of the proceeding.

7.01(6) The other party must comply with these disclosure Rules as soon as is reasonably practicable after disclosure is made by the College, but in any case, at least 7 business days before the start of the proceeding.

7.01(7) In the event that the College, which has ongoing disclosure obligations, discloses and delivers any additional information that it intends to rely on in the proceeding less than 10 business days before the start of the proceeding, if the other party wishes to rely on information in response, the other party must disclose and deliver it as soon as is reasonably practicable, but in any case, in advance of the hearing.

7.01(8) If a party has not complied with these disclosure Rules, the information at issue can only be relied on in a proceeding with the consent of the other party or with leave of the panel, subject to any terms that the panel considers just.

7.02 Motions for Disclosure

7.02(1) All motions for disclosure shall be brought in accordance with sub-rule 5.05(3) unless special circumstances require that the motion be brought later.

7.02(2) On a motion for disclosure, the Committee may order that a party who will lead evidence at a hearing shall make disclosure in accordance with the requirements of law.

7.02(3) When the Committee orders disclosure it may, to protect the privacy of any person, impose terms or conditions upon the extent and method of disclosure or the use of the information disclosed.

7.03 Production of Records

7.03(1) A motion by a party relating to the production of records in the possession of a third party cannot be brought before the start of the hearing.

7.03(2) A Notice of Motion relating to the production of records in the possession of a third party, along with a summons, must be properly served on the person possessing the records and on any other person having a significant interest, including a privacy interest, in the records.

7.03(3) The person possessing the records must appear at the hearing of the motion for production with the records, in accordance with the summons.

7.03(4) The Committee may, upon the application of any person who, in the opinion of the Committee, has a significant interest in the records referred to in this rule, grant the person standing on the motion for production.

7.03(5) During the hearing of the motion for production, the Committee will first determine whether to order the person possessing the records to produce them to the Committee for review. Second, if applicable, and after reviewing the records produced to it pursuant to this rule, the Committee will determine whether to provide such records or a portion thereof to the parties.

7.03(6) In determining whether to order production to the Committee and ultimately to the parties, the Committee must consider:

- (a) the likely relevance of the records to a significant issue in the hearing or to the competence of a witness to testify in the hearing; and
- (b) whether production of the records is necessary in the interests of justice.

Both above requirements at (a) and (b) must be met before a record is produced to the Committee for review.

7.03(7) For greater certainty regarding sub-rule (6)(a), any one or more of the following assertions made by the moving party are not sufficient on their own to establish that the records are likely relevant to an issue in the hearing or to the competence of a witness to testify:

- (a) that the records exist;

- (b) that the records relate to medical or psychiatric treatment, therapy or counselling that a witness or anyone who is the subject of evidence in the hearing has received or is receiving;
- (c) that the records relate to an incident that is the subject-matter of the proceeding;
- (d) that the records may disclose a prior inconsistent statement of a witness or anyone who is the subject of evidence in the hearing;
- (e) that the records may relate to the credibility of a witness or anyone who is the subject of evidence in the hearing;
- (f) that the records may relate to the reliability of the testimony of a witness or anyone who is the subject of evidence in the hearing merely because they have received or are receiving psychiatric treatment, therapy or counselling;
- (g) that the records may reveal allegations of sexual abuse of a witness or anyone who is the subject of evidence in the hearing by a person other than the member;
- (h) that the records relate to the sexual activity of a witness or anyone who is the subject of evidence in the hearing with any person, including the member;
- (i) that the records relate to the sexual reputation of a witness or anyone who is the subject of evidence in the hearing; or
- (j) that the records were made close in time to a complaint or report or to the activity that forms the subject-matter of the allegation against the member.

7.03(8) For greater certainty regarding sub-rule (6)(b), the Committee will determine whether production of the records is necessary in the interests of justice by considering the salutary and deleterious effects of production on the member's right to make full answer and defence, and on the right to privacy and equality of a witness or person who is the subject of evidence, and any other person to whom the records relate. In making this determination, the Committee will take into account, but need not engage in an in-depth analysis of, the following factors:

- (a) the extent to which the record is necessary for the moving party to make full answer and defence;
- (b) the probative value of the record;

- (c) the nature and extent of the reasonable expectation of privacy with respect to the record;
- (d) whether production of the record is based on a discriminatory belief or bias;
- (e) the potential prejudice to the personal dignity and right to privacy of any person to whom the record relates;
- (f) society's interest in encouraging the reporting of sexual abuse;
- (g) society's interest in encouraging the obtaining of treatment by complainants of sexual abuse; and
- (h) the effect of the determination on the integrity of the hearings process.

7.03(9) If the Committee orders the production of the records or any portion thereof, it may impose conditions on the production to protect the interests of justice and, to the greatest extent possible, the privacy, personal security and equality interests of a witness or anyone who is the subject of evidence in the hearing, and of any other person to whom the records relate, including, for example, the following conditions:

- (a) that the record be edited as directed by the Committee;
- (b) that a copy of the record, rather than the original, be produced;
- (c) that the moving party not disclose the contents of the records to any other person;
- (d) that no copies of the records be made or that restrictions be imposed on the number of copies of the records that may be made;
- (e) that information regarding any person named in the records, such as their address, telephone number and place of employment, be redacted from the record; or
- (f) any other restrictions on the use of the records at the Committee's sole discretion.

7.04 Expert Witnesses

7.04(1) Despite rule 7.01(2), a party who intends to call an expert witness at a hearing shall, not less than forty-five days before the pre-hearing conference, or if

there is none, the hearing, deliver to the other parties a report, signed by the expert, setting out the following:

- (a) The expert's name, address and area of expertise.
- (b) The expert's qualifications and employment and educational experiences in his or her area of expertise.
- (c) The instructions provided to the expert in relation to the proceeding.
- (d) The nature of the opinion being sought and each issue in the proceeding to which the opinion relates.
- (e) The expert's opinion respecting each issue and, where there is a range of opinions given, a summary of the range and the reasons for the expert's own opinion within that range.
- (f) The expert's reasons for his or her opinion, including,
 - i. a description of the factual assumptions on which the opinion is based;
 - ii. a description of any research conducted by the expert that led him or her to form the opinion; and
 - iii. a list of every document, if any, relied on by the expert in forming the opinion.
- (g) An acknowledgement of expert's duty using Form 7A signed by the expert.

7.04(2) If the expert report delivered by a party contains unexpected information, the other party may bring a motion for additional time to deliver a responding expert report and the Committee may grant such additional time upon such terms and conditions as are just.

7.04(3) No expert witness may testify, except with leave of the Committee, unless sub-rule (1) has been complied with.

RULE 8 – ELECTRONIC PROCEEDINGS

8.01 Initiating an Electronic Proceeding

8.01 The Committee will hold all proceedings electronically, unless it is satisfied that doing so is likely to cause a party significant prejudice.

8.02 Procedure on Electronic Proceedings

8.02(1) This sub-rule applies to any proceeding or part of a proceeding that is held electronically including motions, pre-hearing conferences and hearings.

8.02(2) At least 48 hours before an electronic proceeding is scheduled to commence, the Tribunals Office shall instruct participants on how to participate in the electronic proceedings and the participants shall comply with those instructions.

8.02(3) Unless otherwise provided for in the rules, every person participating in the proceeding shall deliver, at least five business days before the proceeding, every document, in sequentially numbered pages, he or she intends to rely upon. Every document must meet the requirements set out in rule 2.01.

8.02(4) Every person participating in the proceeding shall ensure that he or she can be reached at the telephone number provided to the Tribunals Office beginning at 15 minutes before the proceeding is scheduled to commence.

8.03 Procedure for Objecting to an Electronic Proceeding

8.03(1) If a party believes that holding an electronic proceeding is likely to cause it significant prejudice, it must notify the Tribunals Office in writing and copy the other parties on this communication at least 45 days before the originally scheduled proceeding. The Tribunals Office will then schedule a written motion and will notify the parties of the date that the Committee will consider the written motion to determine the format of the proceeding (the "written motion date"). The written motion will be determined before the date of the originally scheduled proceeding. The timelines for the delivery of the parties' motion materials are as follows, and cannot be amended by the parties despite rules 3.01 and 9.02:

- (a) at least 30 days before the written motion date, the objecting party must deliver its motion materials, addressing any relevant factors set out at rule 8.03(3);
- (b) at least 15 days before the written motion date, the responding party must deliver its responding materials;
- (c) if the objecting party intends to reply, it must deliver its reply materials at least 10 days before the written motion date; and,
- (d) the Committee may amend the timelines set out above at its sole discretion, in exceptional circumstances.

8.03(2) In addition to the parties' written motion materials, the Committee, in its sole discretion, may require the parties to make oral or electronic submissions.

8.03(3) In deciding whether holding an electronic proceeding is likely to cause a party significant prejudice, the Committee may consider one or more of the following factors:

- (a) the sufficiency of the reasons advanced for the objection;
- (b) the need to prevent undue delay and use Committee resources judiciously;
- (c) the anticipated length of delay if the matter is adjourned in favour of an in-person proceeding;
- (d) the complexity of the matter;
- (e) the potential prejudice to a party;
- (f) procedural fairness considerations; or
- (g) any other relevant factor.

8.03(4) Neither a party's preference for an in-person proceeding, nor the possibility of credibility being at issue in a proceeding will, in and of themselves, be sufficient reasons to necessitate an in-person proceeding.

8.03(5) After considering the parties' submissions, the Committee will determine whether the originally scheduled proceeding will be held in person, electronically, in writing, or by a combination of these formats, depending on the specific circumstances of the case identified by the parties.

RULE 9 – WRITTEN PROCEEDINGS

9.01 Initiating a Written Proceeding

9.01 The Committee may hold all or part of a proceeding in writing unless it is satisfied that there is good reason for not doing so.

- (b) the time for an appeal has expired, or an appeal was dismissed or abandoned, and no further appeal is available.

9.03(3) Where sub-rule (2) applies, the College shall make a written request to the Discipline Committee (via the Tribunals Office and copying the member or defence counsel), including the Notice of Referral and any supporting evidence, confirming that the criteria set out at sub-rule (2) apply, and seeking a finding of professional misconduct listed under subsection 30.2(2) of the Act and an order in accordance with subsection 30.2(1) of the Act.

9.03(4) A certified copy of a Court Information, Indictment or Endorsement, or transcripts of the proceedings at which the criminal conviction or guilty finding occurred may be accepted by the Discipline Committee as proof that the criteria set out at sub-rule (2) are met.

qualification and registration and order the member to receive a reprimand, and shall provide its Decision and Reasons to the parties in writing, via the Tribunals Office.

9.03(6) As part of its written request in sub-rule (3), the College may, in addition to the required orders under subsection 30.2(1) of the Act, seek orders pursuant to section 30 of the Act and shall state its reasons, in writing, for seeking any such additional orders.

- (a) The member will have 30 days from the date of the College's written request to respond in writing to the Discipline Committee (via the Tribunals Office and copying College counsel).
- (b) The College will have 15 days from the date of the member's written response, if any, to reply in writing to the Discipline Committee (via the Tribunals Office and copying the member or defence counsel).
- (c) If the member does not respond in writing within the 30 days from the date of the College's written request, the Discipline Committee may proceed without the participation of the member, and the member will not be entitled to any further notice in the proceeding.

9.03(7) For greater certainty, where a request for additional orders is made pursuant to sub-rule (6), the panel of the Discipline Committee (or, with the written consent of the parties, the single member of the Discipline Committee or Roster) assigned to the matter shall consider the parties' additional submissions and shall not make any order until the time to deliver any responding or reply submissions has elapsed. A single Decision and Reasons addressing the initial request pursuant to sub-rule (3) and any additional requests pursuant to sub-rule (6) will then be provided to the parties in writing, via the Tribunals Office.

9.03(8) Any reprimand ordered pursuant to rule 9.03 shall be delivered to the member in writing.

10.02(6) Any document used during the examination that is intended to be filed as an exhibit at the hearing shall be marked at the examination by the person introducing it so it can be identified later and the person introducing it shall deliver a copy of it to all other parties.

13.04 Findings of Fact in Prior Proceedings

13.04(1) Where a certificate of conviction or discharge or certified copy of a Court Information or Indictment has been admitted in evidence under sub-rule 13.03(3), the Committee shall also admit as ancillary to the certificate of conviction or discharge or certified copy of a Court Information or Indictment, the specific findings of fact contained in the court's reasons for judgment or reasons for sentence, which findings of fact are proof, in the absence of evidence to the contrary, of the facts so found.

13.04(2) The Committee may, in its discretion, admit as incidental to the certificate of conviction or discharge or certified copy of a Court Information or Indictment, transcripts of the proceedings at which the conviction or discharge occurred for the purpose of explaining the finding of guilt made at such proceeding.

13.04(3) The Committee may, in its discretion, admit findings of fact, whether or not supportive of a finding of guilt, made in prior criminal, civil or administrative proceedings as proof, in the absence of evidence to the contrary, of the facts so found.

13.05 Evidence of Sexual Activity of Witnesses

13.05(1) Subject to sub-rules (2) and (3), no evidence that a witness has engaged in sexual activity is admissible at a proceeding and no witness shall be cross-examined with respect to such sexual activity.

13.05(2) Sub-rule (1) does not apply to sexual activity that forms the subject matter of the proceeding, or evidence that is tendered as similar fact evidence of sexual activity on the part of the member whose conduct is the subject matter of the proceeding.

13.05(3) Upon application by a party, the Committee may, by order, allow evidence of sexual activity of a witness to be introduced and may allow a witness to be cross-examined with respect to such sexual activity where the Committee is satisfied that the evidence:

- (a) is of specific instances of sexual activity;
- (b) is relevant to an issue at the proceeding; and
- (c) has significant probative value that is not substantially outweighed by the best interests of the witness or the danger of prejudice to the proper administration of justice.

13.05(4) An application for an order under sub-rule (3) shall be made by motion under sub-rule 5.05(4).

13.05(5) The witness whose sexual activity is the subject matter of a motion for an order under sub-rule (3) shall be given notice of the motion but shall not be a compellable witness on the motion.

13.06 Witness Screens and Closed-Circuit Television

13.06(1) A witness who:

- (a) is under the age of 18;
- (b) has made a complaint of sexual abuse against the member whose conduct is the subject matter of the proceeding; or
- (c) is a vulnerable witness,

may testify behind a screen or similar device that allows the witness not to see the member, if the Committee is of the opinion that this is likely to help the witness give complete and accurate testimony or that it is in the best interests of the witness, would not unduly impair the ability of the member to make full answer and defence and if the condition set out in sub-rule (4) is satisfied.

13.06(2) The Committee may order that closed-circuit television be used instead of a screen or similar device if the Committee is of the opinion that:

- (a) a screen or similar device is insufficient to allow the witness to give complete and accurate testimony;
- (b) a screen or similar device would unduly impair the ability of the member to make full answer and defence; or
- (c) the best interests of the witness require the use of closed-circuit television.

13.06(3) If the Committee makes an order under sub-rule (2), the witness shall testify outside the hearing room and his or her testimony shall be shown in the hearing room by means of closed-circuit television.

13.06(4) When a screen or similar device or closed-circuit television is used, the Committee and the lawyers for the parties shall be able to see and hear the witness testify and the parties shall be able to communicate with their lawyers while the witness is testifying.

13.07 Support Persons and Vulnerable Witnesses

13.07(1) The Committee may, where appropriate, allow any vulnerable witness to be accompanied, while testifying, by a support person of his or her choice.

13.07(2) During the testimony of a witness under the age of 18 or a witness who has made a complaint of sexual abuse against the member whose conduct is the subject matter of the proceeding, a support person chosen by the witness shall be allowed, where appropriate, to accompany him or her on such terms and conditions as the Committee may prescribe.

13.07(3) If the Committee determines that the support person chosen by the witness is not appropriate for any reason, the Committee shall designate another support person who shall be allowed to accompany the witness while testifying.

13.07(4) The following are examples of the reasons why the Committee may determine that the support person chosen by a witness is not appropriate:

- (a) the Committee is of the opinion that the support person may attempt to influence the testimony of the witness;
- (b) the support person behaves in a disruptive manner; or
- (c) the support person is also a witness in the proceeding.

13.08 Examination and Cross-Examination of Witnesses

13.08(1) Except as provided in rule 13.09, a party to a proceeding may, personally or by counsel, conduct such examinations or cross-examinations of witnesses called to testify at a hearing as are reasonably required for a full and fair disclosure of all matters relevant to the issues in the proceeding.

13.08(2) The Committee may control and restrict a party's examination or cross-examination of a witness to the extent necessary to ensure that the hearing is conducted in a manner that is fair and expeditious and that respects the best interests of the witness while permitting the member to make full answer and defence.

13.09 Restrictions on Personal Cross-Examination by a Member

13.09(1) If the Committee is of the opinion that personal cross-examination by a member whose conduct is the subject matter of the proceeding would be likely to affect adversely the ability of the witness to give evidence or would not be in the best interests of the witness, it may, after giving consideration to the member's interests, prohibit cross-examination, if the witness:

- (a) is under the age of 18;
- (b) has made a complaint of sexual abuse against the member whose conduct is the subject matter of the proceeding; or
- (c) is a vulnerable witness.

13.09(2) If the Committee prohibits cross-examination by the member, the Committee may appoint counsel for the purpose of conducting the cross-examination or may order that the cross-examination may be conducted in some other appropriate way.

13.10 Oral and Written Argument

13.10(1) The Committee may place reasonable limits on the length of oral submissions.

13.10(2) The Committee may, after hearing submissions, order the parties to submit written arguments on some or all of the issues at the hearing and may give directions as to the form and timing of such written arguments.

13.11 Summons to Witness

13.11(1) A party who requires the attendance of a person in Ontario as a witness at a hearing shall prepare the summons and deliver it to the Tribunals Office by email in Word format for the signature of the Registrar, the Deputy Registrar, or such other officers of the College. The summons may also require the person to produce at the hearing, documents and things specified in the summons in accordance with section 12 of the *Statutory Powers Procedure Act*.

13.11(2) A summons shall be served personally on the person to whom it is directed at least 48 hours before the time fixed for the attendance of the person unless otherwise directed by the Committee and at the same time, attendance money calculated in accordance with Tariff A of the *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, shall be paid or tendered.

13.11(3) A summons served under sub-rule (1) shall be in accordance with Form 13A or 13B and signed by the Registrar, Deputy Registrar or such other officers of the College.

13.11(4) Upon motion made under sub-rule 5.05(1), the Committee may make an order quashing a previously issued summons where it is of the opinion that the required attendance of the witness is unnecessary, contrary to the best interests of the administration of justice or an abuse of process.

13.12 Exclusion of Witnesses

13.12(1) The Committee may order that one or more witnesses be excluded from the hearing until called to give evidence.

13.12(2) An order under sub-rule (1) may not be made in respect of a party to the proceeding or a witness whose presence is essential to instruct counsel for the party calling the witness, but the Committee may require any such party or witness to give evidence before other witnesses are called to give evidence on behalf of that party.

13.12(3) Where an order is made excluding one or more witnesses from the hearing, no person shall communicate or permit the communication to an excluded witness of any evidence given during the witness' absence from the hearing, except with the leave of the Committee, until after the witness has been called and has given evidence.

13.13 Permission to Withdraw All or Portion of Notice of Hearing

13.13(1) Where the College seeks permission from the Committee to withdraw all or part of a Notice of Hearing, it shall bring a motion before the Committee for such permission and shall state its reasons for seeking permission to withdraw before the court reporter. Rule 5 (Motions) does not apply to motions seeking permission to withdraw unless the Panel hearing the motion orders otherwise.

13.13(2) Where the Committee grants the College permission to withdraw all or part of a Notice of Hearing, the Chair of the Panel granting permission shall clearly endorse on the exhibited copy of the Notice of Hearing the extent to which permission to withdraw was granted, with the notation "withdrawn at the request of College counsel".

13.13(3) Where a Notice of Hearing has been withdrawn in whole or in part and a member of the public seeks access to the Notice of Hearing, and the Notice is otherwise available, the member of the public shall be given a copy of the exhibited copy with the endorsed withdrawal.

13.14 Access to Hearing Record by the Public

13.14(1) This rule applies only to hearings held in public.

13.14(2) If a member of the public wishes to have access to all or part of the record of the Committee, they will submit a request to the Tribunals Office using Form 13C, without having to bring a motion. The Tribunals Office will provide them with the record requested, subject to the following conditions:

- (a) if the requested part of the record was introduced during a closed portion of the hearing or was the subject of a sealing order, public access will not be provided;
- (b) if the requested part of the record appears to contain sensitive personal information, the Tribunals Office will consult with the Committee, which may seek written submissions from the parties and/or the requester, before the Committee determines whether or not to provide access to the requester. The Committee is not required to provide reasons for its decision;
- (c) if releasing the requested part of the record would reasonably be seen, in the opinion of the Committee, to interfere with the fair and orderly conduct of a hearing, it will not be released until after the hearing has concluded and the Committee has issued its Decision and Reasons;
- (d) if the requester is seeking permission to duplicate an exhibit, the request will be denied if there is a reasonable possibility that duplication will adversely affect the integrity of the exhibit;
- (e) if there are concerns about protecting the security of a requested exhibit, the Tribunals Office will consult with the Committee, which may provide for supervision and control of any exhibit by a person that it designates;
- (f) the requester must agree to abide by any publication bans ordered in relation to the hearing; and
- (g) administrative charges of \$1.00 per page must be paid in advance of the requested record being released. The administrative charges may be waived at the sole discretion of the Tribunals Office in exceptional circumstances.

13.14(3) Before providing a member of the public with access to any part of the record, the Tribunals Office will ensure that appropriate redactions have been made

to comply with any order preventing public disclosure and to protect the identity of students, vulnerable witnesses or others.

13.15 Information Relating to Member's Capacity (Discipline Committee Only)

13.15 If there is information in a proceeding to suggest that the member may be incapacitated, the Discipline Committee may do any one or more of the following:

- (a) ask the parties if they have had an opportunity to consider the information and whether all or part of the conduct at issue in the allegations relates to the member's capacity;
- (b) ask the parties whether or not there are parallel incapacity proceedings;
- (c) grant an adjournment to permit the parties to consider whether to initiate incapacity proceedings to deal with all or part of the conduct in issue;
- (d) if a finding has been made by the Discipline Committee and if there are parallel incapacity proceedings, ask the parties for details of the status of the incapacity proceedings and any order made by the Fitness to Practise Committee; and
- (e) ask the parties if they would like to make submissions about whether the public should be excluded from all or part of the hearing.

13.16 Sealing Orders

13.16(1) In accordance with the Act, hearings before the Discipline Committee are presumptively open to the public. In addition to the exceptions to the open court principle set out in the Act, including the provisions relating to publication bans and orders excluding the public from a hearing, the Discipline Committee may make a sealing order where it determines that:

- (a) court openness poses a serious risk to an important public interest;
- (b) the order sought is necessary to prevent this serious risk to the identified interest because reasonably alternative measures will not prevent this risk; and
- (c) as a matter of proportionality, the benefits of the order outweigh its negative effects.

13.16(2) The Discipline Committee shall make a sealing order with respect to any exhibit that:

- (a) contains child pornography; or
- (b) would create a serious risk of physical harm should the information become public.

RULE 14 – ADJOURNMENTS

14.01(1) A hearing may be adjourned by the Chair or by the Committee.

14.01(2) In accordance with section 21 of the *Statutory Powers Procedure Act*, in deciding whether to grant an adjournment, the Committee may consider one or more of the following factors:

- (a) the sufficiency of the reasons advanced for the request to adjourn;
- (b) the timeliness of the request;
- (c) the resources of the Committee;
- (d) any prejudice to the parties;
- (e) whether any adjournments have been granted previously;
- (f) the consent of the parties; or
- (g) any other relevant factor.

14.01(3) The Committee may grant adjournments on such terms and conditions as it considers just.

14.01(4) Any party seeking an adjournment shall seek the consent of the other party before bringing a motion before the Committee.

14.01(5) If consent is obtained pursuant to sub-rule (4), the party seeking the adjournment shall contact the Tribunals Office and provide a written request for an adjournment, with the reasons for the request and the consent of the other party, and the date to which the parties are jointly proposing to reschedule the hearing

14.01(6) Where the College and member consent to an adjournment and agree to new date(s) for the hearing, they shall file a completed copy of Form 14A with the Tribunals Office. The Chair of the Panel, or if there is none, the Chair of the Committee, will consider the request, after consulting with Panel members where possible, and if the Chair is in agreement, the parties will be notified and it will not

be necessary for them to attend before the Committee to reschedule the hearing. The hearing will proceed on the date(s) agreed to by the parties as set out in Form 14A as filed. Where the Chair of the Panel, or if there is none, the Chair of the Committee does not agree to the adjournment of the hearing, the party seeking the adjournment shall bring a motion before the Committee in accordance with rule 5.

RULE 15 – FINAL DECISION

15.01 Giving Notice of Final Decisions

15.01 The Committee shall serve its decision, with reasons, on the parties, in accordance with the methods of service described in section 18 of the *Statutory Powers Procedure Act* or any method of service described in the Act or the Bylaws.

15.02 Correction of Minor Errors

15.02 The Tribunals Office or the Committee may, at any time, correct a typographical error, error of calculation or similar minor error made in a finding, a decision, an order, or reasons of a Panel.

15.03 Process for Making Final Decisions and Writing Reasons

15.03 In order to render prompt decisions and reasons, the Panel shall, unless the Panel determines otherwise in the circumstances of a particular case, follow a process that includes the following:

- (a) deliberate and, where feasible, reach a preliminary decision on the day that the hearing is concluded by receipt of the last submission or the day after the hearing is concluded by receipt of the last submission;
- (b) work with a decision editor who will assist in the decision-writing process, in accordance with Recommendation 45 of the *LeSage Report*;
- (c) agree upon a specified time period for the first draft to be written, which shall usually not be more than 60 days afterwards, depending on the length and complexity of the hearing;
- (d) promptly review and comment on the draft decision and reasons, once circulated to the Panel by a decision editor;
- (e) if the Panel members need to reassemble, hold the meeting electronically, where feasible, at a time available to all members of the Panel;

all of which is done with the goal of releasing the written final decision and reasons within four months from the conclusion of the hearing by receipt of the last submission.

Failing to comply with the process in this sub-rule, adding additional steps to the process, adopting a different process or failing to release the final decision and reasons within four months does not affect the validity of the decision and reasons.

RULE 16 – COSTS

16.01 Costs for Non-compliance with Rules

16.01 Where the Committee is entitled to order the payment of costs by a party, the Committee may consider, among the factors in its decision, the failure of a party to comply with these rules or a party's unreasonable cancellation or rescheduling of a proceeding on short notice.

16.02 Costs Against the College

16.02 Where the member seeks costs against the College pursuant to section 30(9) or section 31(7) of the Act, the Committee may direct that the issue be dealt with during the proceeding itself, after receiving submissions from the parties, or by a motion conducted separately from the proceeding under rule 5 with any necessary modifications.

16.03 Costs Against the Member (Discipline Committee Only)

16.03 Where the College seeks costs against the member pursuant to section 30(5) of the Act, the Discipline Committee may direct that the issue be dealt with during the proceeding itself, after receiving submissions from the parties, or by a motion conducted separately from the proceeding under rule 5 with any necessary modifications.

16.04 Frivolous or Vexatious Proceedings

16.04 The Committee may at any stage of the proceeding order a party to pay costs where the conduct of the party during the course of the proceedings has been unreasonable, frivolous or vexatious or a party has acted in bad faith.

16.05 Procedure for Requesting Costs

16.05(1) A member requesting an order for costs shall deliver a detailed written explanation of the basis upon which the costs requested are calculated.

16.05(2) Where the request for costs includes disbursements or out-of-pocket expenses, these may, subject to any order of the Committee, be proved by an affidavit attaching a copy of any invoice or receipt.

16.05(3) Where the request for costs includes the costs to the College of conducting a day of proceedings, no evidence of the costs of a day of proceedings is needed if the request is equal to or less than the amount set out in Tariff A. This sub-rule applies only to proceedings before the Discipline Committee.

RULE 17 – REINSTATEMENT APPLICATIONS

17.01(1) This rule applies to applications for reinstatement or variation made under section 33 of the Act.

17.01(2) An applicant making an application for reinstatement or variation shall deliver a notice of the application specifying the order sought, the grounds of the application, the documentary and oral evidence that the applicant will introduce and the anticipated length of the hearing.

17.01(3) Unless the Committee directs otherwise, the member making an application for reinstatement or variation shall deliver an electronic copy of the record of the original hearing and the record of any previous applications for reinstatement or variation, an electronic copy of the transcript of the original hearing and any previous applications for reinstatement or variation (whether or not the transcript has previously been ordered), and an electronic copy of any document the applicant will introduce at the hearing.

17.01(4) The Tribunals Office shall not schedule a reinstatement or variation application for a hearing until the applicant complies with sub-rules (2) and (3).

17.01(5) When a reinstatement or variation application has been scheduled, the Committee shall deliver a Notice of Hearing to the parties.

RULE 18 – REPRIMANDS

18.01(1) The following protocol applies to reprimands ordered by the Discipline Committee:

18.01(2) A member who has not received their oral reprimand within six months of the date of the order for the reprimand shall receive a written reprimand instead of the oral reprimand.

18.01(3) A member may receive a written reprimand instead of the oral reprimand prior to six months from the date of the order for the reprimand if the Chair of Discipline Committee (or the Vice-Chair of the Committee if the Chair is unavailable) determines that an oral reprimand cannot be delivered to the member.

18.01(4) The written reprimand shall be signed by the Chair of the Discipline Committee (or the Vice-Chair of the Committee if the Chair is unavailable).

18.01(5) The text of the written reprimand shall be the same as the text that would be delivered if the reprimand would be delivered orally.

18.01(6) The written reprimand shall be delivered in accordance with the rules of service set out in the College's Act or Bylaws.
