Your InfiniTV Remote

Take control of the complete streaming TV experience.

The remote control (“remote”) is used to navigate the User Interface (“UI”) screens and menus, and to configure and control features and functions.

To quickly scroll through the Live TV Guide, press and hold the up or down navigation arrow. After a moment, the channels will scroll in ultra-fast speed.

START HERE

Using your InfiniTV remote, select the apps icon on your Android TV home screen to get started.

Android Apps

This section displays your InfiniTV and downloaded apps. Add apps such as Crave, YouTube, Disney+, NHL, Google Play Movies & TV, and more, all available from the Google Play store.

In this section, your downloaded apps will be displayed from the most recent to oldest.

To begin your InfiniTV experience select the “InfiniTV app” and press “OK”. Now that you have started the InfiniTV streaming service, you will see easy to use features, settings, and apps that we designed with you in mind.

Search Programming

Search programming from the InfiniTV app by selecting “Search” in the Features Bar. Enter text or speak to search the show, movie, or actor/actress name you are looking for and select “OK”. Options from InfiniTV streaming service and other platforms such as YouTube will automatically populate.

My InfiniTV

My InfiniTV, under the Features Bar, gives you a visually rich, poster art layout, making it easier to find and watch shows you love. Here you will find sections such as Continue Watching, Most Watched On Demand and Live TV Recommendations. Enjoy a friendly user experience with these great sections without having to scroll through the grid-style guide!

Recordings

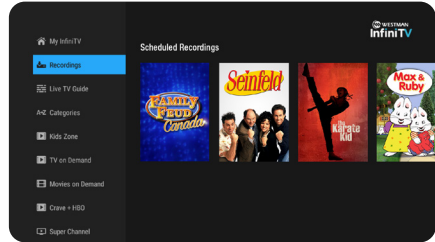

2 nDVR storage packages available

RECORD UP TO **◆ 150** HOURS RECORD UP TO **◆ 350** HOURS

Enjoy the freedom to record multiple shows at the same time and peace of mind that you can watch them anytime for up to one year!

On the Features Bar of the InfiniTV app, select “Recordings” from the list of options. Here you will find your recorded series, scheduled recordings, and your nDVR quota (What space is left for new recordings). You can record a show or movie when you are in the “Live TV Guide” or your

“My InfiniTV” by choosing the show or movie you wish to record and then clicking “Record” or “Series Record”. If you are watching a live show and you wish to record it, just click “OK” to select the show and then “OK” again to display options and then select “Record”.

Live TV Guide

On the InfiniTV app Features Bar, select “Live TV Guide” to display your guide listings.

The grid-style TV guide displays channel numbers, show titles, and the network making it easy to find your favourite TV show.

Restart

With Westman InfiniTV, you have the freedom to restart shows* in progress with Restart TV.

1. Look for the Restart symbol 
2. Click “Enter” on the show to watch it.
3. Press “Enter” to bring up Live TV options.

3. Select “Enter” twice to bring up show details.
4. Select “Play” to watch your show.

*Restart, Lookback, fast-forward, and rewind are available only on select channels.

A-Z Categories

You no longer have to scroll through the channel guide trying to find what you would like to watch. We have designed a categories option in the Features Bar for easy navigation of channels. There you will find categories like News, Networks, Sports, Movies, and more. Pick a category that you love and then select one of the channels within that section! It's that easy.

Kids Zone

In a rush to find something for the kids to watch? We've made it quick and convenient to find something for the kiddos in a pinch. In the Features Bar, we have added a Kids Zone category for quick navigation and a great user experience. You will find options within such as Kids Channels, Treehouse on Demand, Disney on Demand and Nickelodeon on Demand.

Parental Controls

Use parental controls to restrict what programming can be viewed based on content ratings and warnings. When parental controls are enabled, restricted content cannot be viewed. You can set different parental levels on each sub-account. Only the master (main) account can enable or disable parental controls using the master PIN.

Enable Parental Controls

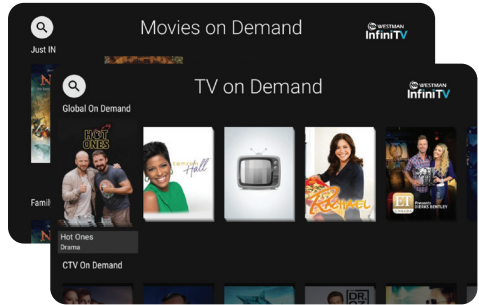

1. From the Android TV home screen, select the InfiniTV app.
2. Go to the Features Bar (by pressing the My TV button) & select your profile.
3. Select "User" then "Edit User" on the profile you want to control.
4. Then select "Parental Controls".
5. Select your choice for the following and press the "OK" button.
 - Movie rating
 - TV rating and Flags
 - Allowance
6. Enter the master PIN number and make your selection.
7. Click on the "Back" button.

To disable parental controls, you need to be in the master profile, then repeat steps 1 - 7, and select disable "Parental Controls".

*Parental controls for InfiniTV are based on USA rating system. Any item below the selection will be blocked content.

TV & Movies On Demand

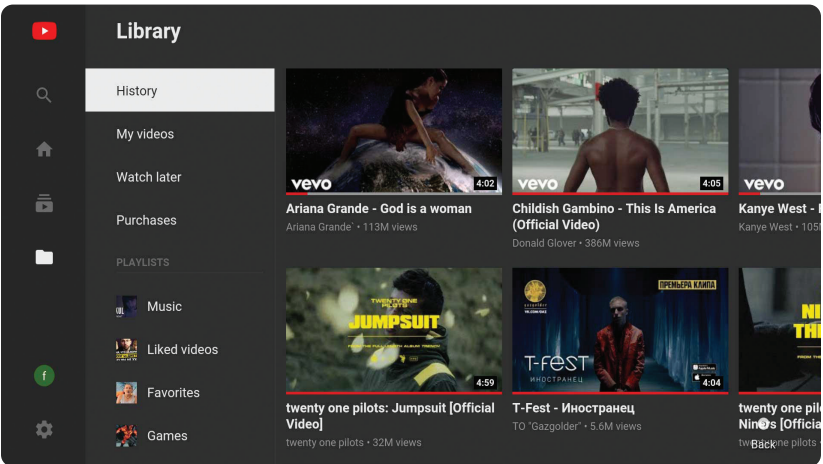

Get what you want, when you want. You can access TV or Movies On Demand, and more. On the feature bar of the InfiniTV app, make your selection from the list of On Demand options. The format will be laid out with poster art and have different subject titles such as “Global On Demand”, “CTV On Demand”, and “Family On Demand.”
